FACE ARCHITECTURAL INTERPRETATION:
Distilling Sumo pose into core elements

FINAL VEHICLE EXPRESSION:
Dual-volume architecture with strong core

Toyota Hilux – built for every journey

The all-new Hilux combines rugged durability, everyday comfort, and adventure-ready capability. Engineered for demanding work, smooth urban driving, and off-road exploration, it delivers versatile performance you can rely on.

* The expression cyber sumo is used solely as a descriptive design theme referring to the vehicle's stance and proportions inspired by the Japanese sumo wrestlers. It is not a model name, variant name, sub-brand, trademark or product designation of Toyota. "Hilux" remains the sole model name of the vehicle.
