About us...

We are a family run company that has been in the industry collectively for over 10 years. Bennetts Bedrooms has been established right here in the heart of the Algarve since 2012. We create, produce and inspire a huge collection of beds and mattresses by combining our knowledge, science and customer feedback. We engineer our products that not only has comfort in mind but also style and luxury that can tailor to all body types and needs.

Our creative vision has been inspired by the British royal history and innovative craftsmanship throughout 100s of years. Our goal is to be known in the industry as great manufactured mattresses with the highest quality products and bespoke ideology.

The best beds in the world

LUXURY ALPACA 2550

The Luxury Alpaca 2550 combines pocket springs for perfect anatomical support with layered natural fillings for indulgent comfort. Wool, pashmina and alpaca also chosen for their breathability and moisture-wicking properties make this mattress an expertly handcrafted mattress that will deliver years of peaceful sleep.

2550* POCKET SPRINGS

Pocket springs move independently and so provide the best postural support. The individual pocket springs follow and support your body shape and weight. *King size.

FIRM EDGE SUPPORT

Firmer springs along the sides add strength to the edge of the mattress to allow you to use the whole surface of the mattress as a sleeping area.

WOOL, PASHMINA AND ALPACA LAYER

Provides a durable insulating layer of natural resilience and luxurious loft and gives optimum support.

4 ROWS OF SIDE STITCHING

Provides a more robust mattress border than a standard mattress.

HAND TUFTED WITH WOOL TUFTS

This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

NO TURN

No need to turn the mattress, although regular rotation will extend its life.

Cranleigh

3000* double Layer of Calico Pocket Springs
Individual coiled springs, sewn into calico cotton pockets provide the best postural support. The individual pocket springs follow and support your body shape and weight. *King size.

Hand-Nested and Hand-Centre Tied
Individual springs sewn in calico cotton pockets are hand-nested in a honeycomb pattern and hand-centre tied with waxed linen cord. This construction removes movement transfer to help provide a more restful sleep.

Spring Tension
Available in medium or firmer.

Combination Tensions
Available in combination tensions

Hand Teased Horse Hair
Horse hair is the longest natural fibre, twisted to provide extra resilience and bounce. Horse hair is the perfect natural spring partner for our sumptuous beds.

Cambric Blanket
A tight weave cotton fabric that prevents horse hair escaping up through the mattress comfort layers.

Hand Teased Mohair
Mohair is resilient, soft and luxuriously comfortable. Warm in winter due to its insulating properties and cool in the summer due to its moisture wicking properties.

Hand Teased Cashmere
Cashmere is the wool of the Kashmir goat. It is wonderfully insulating and absorbent and is used to help regulate a comfortable sleeping environment.

Hand Teased Merino Wool
Merino wool is sumptuous and also has great hygroscopic properties encouraging the evaporation of body moisture, ensuring a really comfortable sleeping environment.

Hand Teased Lambswool
Lambswool is a natural insulator providing coolness in the summer and warmth in the winter. Lambswool also offers superb comfort as it is soft and very elastic.

Lambswool
Lambswool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

Wool
Wool is blended into a blanket-like layer and used as a soft and insulating upholstery layer for added comfort.

100% Natural Belgian Damask
Our highest quality natural mattress fabric which has a lovely soft handle and is both colourfast and breathable.

M Pure Natural FR Treatment
M-Pure is a natural fire resistant treatment, and uses biologically based ingredients that make it bio-degradable, environmentally friendly and 100% sustainable.

4 Rows of Hand Side Stitching
Silled craftsmen use upholstery needles to hand stitch the mattress borders to provide better support and extending the sleeping area to the edge of the mattress.

Hand Tufted with Wool Tufts
This traditional skill ensures all loose fillings are secured to provide the perfect finish to your mattress.

Turnable
Both sides can be used prolonging the life of the product. Turnover and rotate your mattress once a week for the first 3 months and then once a month thereafter.
