

Order ZEIFORMES

Smooth Dories

Family **PARAZENIDAE**

McAllister 1968

Stethopristes eos, holotype. Illustration by Chloe Lesley Starks. From: Gilbert, C. H. 1905. The deep-sea fishes of the Hawaiian Islands. In: The aquatic resources of the Hawaiian Islands. Bulletin of the U. S. Fish Commission 23 (2) [for 1903]: 577–713, Pls. 66–101.

Slender Dory

Subfamily PARAZENINAE

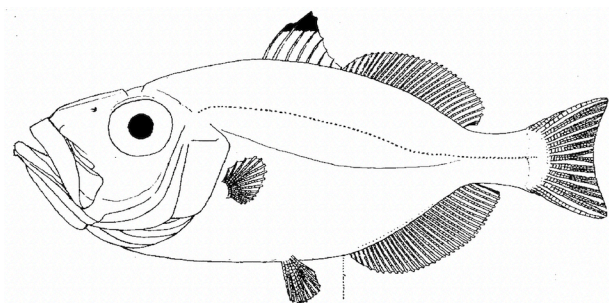

McAllister 1968

Parazen

Kamohara 1935

pará (παρά), near, referring to its presumed close relationship to *Zen* (=Cyttopsis)

***Parazen pacificus* Kamohara 1935 -icus** (L.), belonging to: Pacific Ocean, referring to its occurrence in the Indo-West Pacific

Parazen pacificus. From: Kamohara, T. 1935. On a new fish of the Zeidae from Kochi, Japan. Dobutsugaku Zasshi = Zoological Magazine Tokyo 47 (558): 245–247.

Smooth Dories

“Subfamily CYTTOPSINAE”

name introduced by Greenwood, Rosen, Weitzman & Myers 1966 in the synonymy of Zeidae, which makes it unavailable per ICZN 11.6.3; nevertheless, many references continue to use it as a valid family-level taxon

Cyttopsis

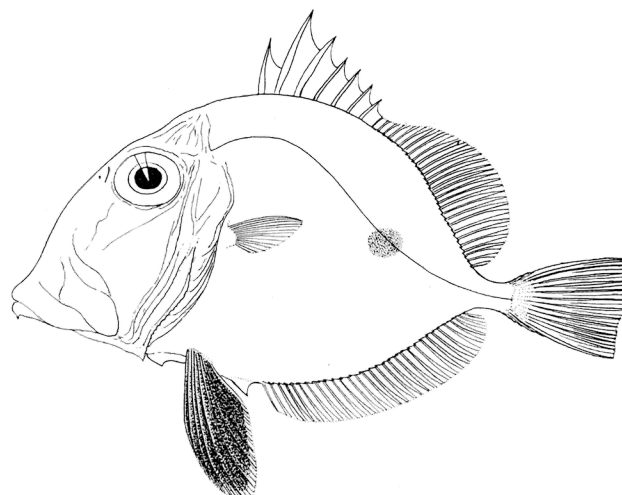

Gill 1862

ópsis (ὄψις), appearance, presumably referring to its similarity to *Cyttus* (Cyttidae)

***Cyttopsis cypho* (Fowler 1934)** *cypho*, from *kyphós* (κυφός), bent forwards or hunchbacked, referring to convex dorsal profile of adults

***Cyttopsis indica* Sreeja, Kumar, Raju, Augustina & Anand 2026 -ica** (L.), belonging to: Indian Ocean, off the southwest coast of India, type locality

***Cyttopsis rosea* (Lowe 1843)** Latin for pink or rosy, referring to its color

Cyttopsis cypho. Illustration by Henry Weed Fowler. From: Fowler, H. W. 1934. Descriptions of new fishes obtained 1907 to 1910, chiefly in the Philippine Islands and adjacent seas. Proceedings of the Academy of Natural Sciences of Philadelphia 85 (for 1933): 233–367.

Stethopristes

Gilbert 1905

stéthos (στήθος), breast or chest; *pristēs* (πρίστης), sawyer (but used here to mean, simply, saw), referring to a “continuous series of carinated spinous bucklers from throat to anus”

Stethopristes eos Gilbert 1905 after Eos, goddess of morning-glow, referring to its light rose color
