Welcome to Rishiraj College of Dental Sciences & Research Centre. The dental college and hospital has been set up with the mission to become one of the foremost leaders in dental education. At the core of our philosophy of a broad-based dental education is the concept of integrating cutting-edge, evidence-based, dental science and the relationship centered art of dental practice.

It is anticipated that the dental surgeon of the future must be able to deliver a wide range of services to a more diverse populations. With the vision in mind RCDS&RC offers an ideal platform for the dentists of tomorrow, with an innovative curriculum, latest preclinical lab setup, and sophisticated dental clinics, all under the tutelage of highly trained and productive faculty.

Once again, I welcome you all to Rishiraj College of Dental Sciences and Research Centre.
