UNIVERSITY OF ARKANSAS

Attend a preview day or visit campus

We host preview days in the summer, fall, and spring, and you can plan a campus visit six days a week, three times a day.

April-Dec - Take the ACT

Not all students take the ACT as early as April of their junior year, but it can be a good test run to prepare you for the test during your senior year. You can always retake it, and it's offered in June and three times in the fall. We will only look at the best scores you have for both admissions and scholarship purposes, so take it again if you aren't happy with your first score.
