# YOUNG PEOPLE'S HEALTHCARE RIGHTS ARE:

CHILDREN'S HEALTHCARE AUSTRALASIA

Association for the Wellbeing of Children in Healthcare

To use, and receive the BEST available health care

What's best for EACH of us

To be treated with RESPECT in regards to our values, beliefs and culture

To be with and guided by our FAMILY, unless this is against our best interest

To education, rest, play, creative activities and RECREATION

To express our views respectfully, be HEARD and have something done about it

To PRIVACY

To be INVOLVED in making decisions that affect us

To planned, COORDINATED health care

To be FULLY informed, ask questions and be given answers about all matters concerning us

To be PROTECTED from harm
