- grow in character, integrity, and authority
- discover more of their strengths and learn how to maximize them
- experience personal spiritual growth and broaden their knowledge of God and his Word

> It was a year that I'll always remember that had changed and grown my heart—not for my version of better, but for his.
>
> *- Mia, Favor College Batch 3*

> What I loved about Favor College were the internships—just getting to experience how it is to serve in every kind of team, it was all wildly different. I experienced all the different ways of serving and it unlocked my passion for serving God in various areas.
>
> *- Maow, Favor College Batch 1*

> What God gave me in that whole year of saying 'yes' to his call was more than just a backbone, but a set of His armor, coupled with numerous wise strategies that I can apply daily, an enduring fire from the Lord, and a loud voice that is not afraid to share the Gospel.
>
> *- Glendonn, Favor College Batch 5*

> What God healed and rebuilt in me during FC became a new foundation for life, ministry, and vocation — and it was truly life-changing.
