MEDIA GUIDE CREDITS

JORDAN STEPP, VINCE MENON, JANET BINGHAM, MICHAEL GUTHRIE AND SPECIAL THANKS TO RYAN DONOUGH.

The San Jose SaberCats welcome you to their 16th season as members of the Arena Football League. The organization and media relations department strive to make its players, coaches and other personnel available in a timely and responsible manner to all accredited members of the media. The 2012 season is sure to provide many exciting moments in an effort to provide a professional working environment; the following guidelines have been established for the upcoming season.

**CREDENTIAL REQUESTS** - Access to SaberCats games for working media will require proper credentials. All credential requests should be directed to the team's media relations department. Requests may be sent on company letterhead via e-mail (j.stepp@thesanjosesarbercats.com), FAX (408-673-3400) or U.S. mail (600 East Brokaw Rd., San Jose, CA 95112). Requests should be submitted no later than noon the day prior to game day. Single game credentials may be picked up at the security entrance, located at the rear of the building, next to, but not in, the loading dock. *MEDIA MEMBERS HOLDING SEASON PASSES SHOULD NOTIFY THE MEDIA RELATIONS OFFICE IN ORDER TO RESERVE SEATING IF PLANNING TO COVER A GAME. A MEDIA CREDENTIAL CANNOT BE USED TO SIT IN SPECTATOR SEATING AREAS.* Credentials are good for admittance to the press room and both team's post-game locker rooms. Media must wear their credentials in plain view at all times. All credentials are non-transferable and any unauthorized use will subject the bearer to ejection from the arena.

**GAMEDAY INTERVIEW POLICY** - Contact the SaberCats media relations department with requests. Following the game, Owner/Head Coach Darren Arbet will address the media in the hallway outside the team's locker room and players may be interviewed in an open locker room setting after a league mandated 10-minute "cooling off" period. *THE SABERCATS MEDICAL TRAINING AREA IS OFF-LIMITS AT ALL TIMES.* For help in locating players or coaches for interviews, please contact any member of the SaberCats media relations staff. Visiting team interview requests should be made through the visiting team's media relations contact or by notifying a member of the SaberCats' media relations staff.

**LOCKER ROOMS** - The locker rooms are off-limits to media prior to kickoff. The rooms will open after the game following a league mandated 10-minute "cooling off" period. The officials' locker room is off-limits at all times to members of the media.

**PHOTOGRAPHERS** - Only photographers on assignment will be allowed access to designated photography locations surrounding the field of play. Because of limited photography positions, *NO FREELANCE PHOTOGRAPHER PASSES WILL BE ISSUED.*

**PRESS BOX** - Press seating is available to accredited media in the press box, located on the north side of the arena's upper level. The elevator to the press room and press box is located on the north side of the building's concourse. There are sufficient phone lines and electrical outlets available in the press box. *ALL MEDIA MUST NOW ENTER HP PAVILION FOR SABERCATS GAMES VIA MEDIA ENTRANCE 'A' LOCATED AT THE REAR OF THE BUILDING, TO THE RIGHT OF THE BACK STAIRCASE.* HP Pavilion is equipped for wireless internet access.

**PRESS LOUNGE** - Media with season credentials, or those granted single-game credentials, are invited to have a pre-game meal in the press lounge, located on the arena's lower level (north side). The press room will open two hours prior to kickoff. Press lounge usage is limited to those presenting valid SaberCats or AFL credentials. It is impossible to accommodate family, friends, guests, or others. Any abuse of dining room privileges may cause forfeiture of credential.

**GAME NIGHT SERVICES** - Press notes, media guides, lineups, programs and other pertinent information will be furnished by the SaberCats media relations department. Halftime statistics, as well as first and third quarter "quickie" stats, will be available in the press box and final statistics will be made available approximately 15 minutes after the conclusion of the game.

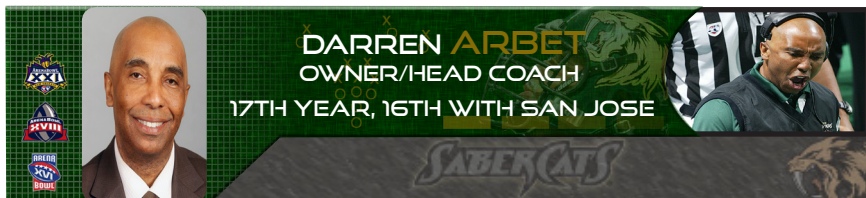

**REGULAR SEASON PRACTICES** - Unless otherwise notified by the SaberCats media relations department, all regular season practice sessions are open to the media. Owner/Head Coach Darren Arbet and players will be available for interviews at the conclusion of each practice. The SaberCats practice facility is located at 1095 Dunford Way in Sunnyvale. In the event of inclement weather, practice times and location may change. Please contact the SaberCats media relations department for up-to-date information regarding the team's practice schedule. *THE LOCKER ROOM AT THE TEAM'S PRACTICE FACILITY IS CLOSED TO THE MEDIA AND PUBLIC AT ALL TIMES.*

ORGANIZATION

An Arena Football League Hall of Fame inductee, three-time ArenaBowl champion and two-time AFL Coach of the Year, Darren Arbet brings a passion and work ethic that is unmatched in the league. Entering 2012, his 16th season with the franchise, Arbet begins his 12th as head coach and second as part owner of the franchise.

Arbet's dedication and leadership turned the SaberCats into a perennial powerhouse, with Arbet ranking fourth all-time in regular season wins (114), fourth in winning percentage (.571) among coaches with at least 100 games coached and first in postseason winning percentage (.714) among coaches with at least 20 games coached. In 2007, Arbet became the fifth head coach in AFL history to win 100 games when San Jose defeated the Las Vegas Gladiators, 61-34. He is the third fastest coach to accomplish the feat, reaching the century mark in just 145 games.

He led San Jose to a 7-11 season in 2011, their first year back in the league since 2008. A leader of one of the most dominating teams over the past decade, he guided the SaberCats to their ninth straight winning season and playoff appearance in 2008 after finishing the year with an 11-5 record - the eighth time in his 11 seasons the team has posted a double-digit regular season win total. The club also captured its third straight Western Division title and seventh under Arbet (eighth overall). He became only the second head coach in the history of the AFL to win three ArenaBowl titles after the SaberCats defeated the Columbus Destroyers, 55-33, on July 29, 2007.

Under the direction of Arbet, the SaberCats have been deemed by some, an AFL dynasty. The club has set league records at the time for overall wins in a season (16 in 2002, 2007), consecutive wins in a regular season (13 in 2007), regular season wins to end a season (13 in 2007) and the longest regular season win streak (15 in 2000-01).

Due to the franchise's success and winning acumen since being named head coach in 1999, Arbet has been elevated within the organization throughout his SaberCats career. He was named the team's player personnel director the following season, remaining in that capacity until taking over general manager duties prior to the 2006 campaign, before being named owner of the franchise in 2011.

After playing four years at defensive end for Sacramento State (1981-85), Arbet joined the recently formed Arena Football League in 1989, playing fullback/linebacker for the Maryland Commandos. New to the league, he fell in love with the sport that would later become a lifelong career.

Before he could fully pursue the indoor game, his career was cut short due to a major wrist injury he had suffered while playing. Coaching seemed like the natural progression in his career, due to his passion for football.

Provided his first opportunity to coach, Arbet was given the assignment of coaching tight ends at his alma mater, while assisting with special teams and serving as the athletic department's academic advisor.

Some of the coaches that Arbet worked with during his time at Sacramento State included former San Francisco 49ers offensive coordinator Greg Knapp, now with the Oakland Raiders, the tight ends coach for the Denver Broncos, Clancy Barone as well as Robert Price, formerly of the Atlanta Falcons. Part of his success he credits to these men who gave him his first taste of coaching.

After getting his feet wet at Sacramento State, Arbet heard about an opening back where his playing career ended, the Arena Football League. He was hired to serve as

an assistant to then defensive coordinator of the Albany Firebirds, Doug Kay, working with the fullbacks and linebackers while breaking down game film.

Receiving his first chance as a defensive assistant and special teams coordinator in 1995, Arbet never looked back. He was named head coach of the SaberCats in 1999 and immediately began to turn the SaberCats into one of the most successful franchises the AFL has seen over the past 25 years.

Arbet has had the fortune of working with some of the greatest minds in Arena Football, including Terru Malley, Skip Foster and Jeff Jamigan. He doesn't believe that he would be here without the assistance of these coaches who have enjoyed great success themselves as head coaches in the AFL.

In his continued effort to grow both as a coach and person, Arbet has taken part in the National Football League's Minority Internship Program. In 2004 Arbet was in the Atlanta Falcons' training camp, working as a special teams assistant and spent the 2003 offseason with the Pittsburgh Steelers' coaching staff for three weeks during their training camp.

Like many other players and coaches, Arbet has spent time in the broadcast booth. He recently served as a color analyst for Comcast Cable's coverage of high school and college football in the Bay Area delighting the viewing public with his keen insight and knowledge of the game. Arbet could also be heard on radio coverage of Sacramento State University football and was the radio analyst for national coverage of the 2004 Silicon Valley Football Classic.

Arbet, a native of Stockton, Calif., was inducted into that city's Black Sports Hall of Fame, alongside other football greats like Derek Kennard and Webster Slaughter.

Arbet attended Edison High School in his hometown of Stockton where he competed in both football and track. He is the father of two sons, Lamar and Dominik, and resides in the Bay Area.

ORGANIZATION

Walker enters his third year as a coach in the AFL and first with the SaberCats.

Walker served his second season with the Milwaukee Mustangs this past year, overseeing a defense that finished among the league leaders in numerous categories. Milwaukee ranked first in total defense (266.8 yards/game), fourth in scoring defense (48.2 points/game), second in pass defense (247.6 yards/game), second in takeaways (55) while finishing with 17 touchdowns scored.

In his first full season as a coordinator in the Arena Football League, Walker helped the Milwaukee Iron to an 11-5 record and a Midwest Division Title in 2010. His defense finished second in the league with 25.5 sacks and fourth with 20 interceptions. Before making the jump to the AFL, Walker spent one season with the Green Bay Blizzard of arenafootball2 in the same capacity, with his defense registering the most sacks and the sixth fewest touchdowns allowed in 2009.

Walker's first head coaching stint in Arena Football came with the Tri-Cities Fever (2008) and Everett Hawks (2007) of af2. In his first season as a head coach of Everett the defense ranked third in the af2 and finished with an 8-8 record becoming the only expansion team to make an appearance in the playoffs. His first career opportunity at coordinator came with the Bakersfield Blitz of af2 in 2006 where he oversaw the second best defense in the league.

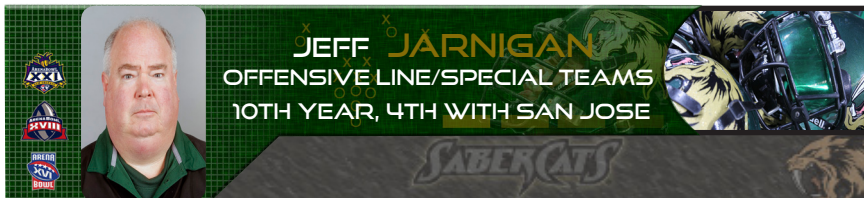

A ten-year veteran of the Arena Football League, Walker played for the Las Vegas Gladiators (2005), Austin Wranglers (2004-05), Chicago Rush (2001-03), Indiana Firebirds (2001), Arizona Rattlers (1997-2000) Orlando Predators (1996) and Charlotte Rage (1996). He finished his career with the seventh-most tackles in AFL history at 614.0 to go along with 85 passes defended, 23 interceptions and 10 forced fumbles.

Walker played collegiately at Stephen F. Austin State University where he was named an All-American for four consecutive seasons.

### JEFF JARNIGAN OFFENSIVE LINE/SPECIAL TEAMS 10TH YEAR, 4TH WITH SAN JOSE

Jeff Jarnigan enters his fourth season with the SaberCats and is first as the offensive line coach in 2012.

Jarnigan led a defense in 2011 that finished the season ranked eighth in the league against the run, surrendering just 21.8 yards per contest. Also, they finished sixth in holding opponents on third down at a 43.9% clip. On special teams, San Jose ranked fourth in the league on field goal returns (17.6 yards per return on eight returns) and eighth in kickoff returns (17.7 yards per return).

In his first season as a coordinator with the SaberCats in 2008, Jarnigan led a defense that finished in the top five in redzone defense (76.8%), interceptions (22), turnover margin (+12) and sacks (30). San Jose had four players named to the All-Arena team under Jarnigan, including linebackers Steve Watson and Clevon Thomas, defensive back Marquis Floyd and kicker A.J. Haglund.

Jarnigan served as the special teams/defensive line coach in his first year with San Jose and made an immediate impact with the player groupings he oversaw. Jarnigan resurrected a special teams unit that finished near the bottom of the league in every statistical category in 2006 and was an essential element to the SaberCats championship conquest in 2007. Under Jarnigan's guidance, San Jose's special teams finished with the second-best kickoff coverage in the AFL after giving up only 16.5 yards per return and two touchdowns, opposed to the 18.5 yards per return and seven touchdowns in 2006.

The defensive phase of special teams wasn't the only side that transformed in 2007. After returning only one kickoff for a touchdown in 2006, Jarnigan helped his players boost that total to seven touchdowns in 2007 - tying the most in the AFL, while also equalling a team record set in 2003 and 2005. His kickoff return men proved to be the top tandem in the league after rookie Trestin George averaged 23.6 yards per return and Rodney Wright racked up another 22.9 yards per return. These two players also accumulated the third-most single-game kickoff return yards in team history with 232 against Georgia on March 24.

Perhaps one of the most vital parts of special teams in the AFL is the kicking unit. Jarnigan is credited for bringing in All-AFL kicker A.J. Haglund who set league records for extra points made (128) and posted the third highest kick scoring total in AFL history with 158, topping his total with a 179 point effort in 2008. Haglund, who played for Jarnigan in arenafootball2, improved on the team's 2006 point-after-try conversion percentage (.853) that was the 15th best in the league to second in 2007, hitting at a .928 clip.

Jarnigan also managed the SaberCats defensive line in

2007. His core group made up of Ron Jones, George Williams and Alan Harper combined for 19.0 sacks which was good for fourth-best in the league.

Jarnigan holds 22 years of football coaching experience under his belt, both professionally and in the collegiate ranks, including seven years in the indoor game. Prior to joining the SaberCats, Jarnigan spent the previous two seasons as head coach of af2's Oklahoma City Yard Dawgz. His previous experience in the AFL comes from a one-year stint with the Austin Wranglers in 2004, the team's inaugural season.

As the defensive coordinator in Austin, Jarnigan's unit held opposing teams to fewer than 40 points in a game five times and ranked third in both sacks and opponents third down conversion rate. The team finished with a record of 8-8.

After his success with the Wranglers, Jarnigan was offered the head coaching position with the Yard Dawgz by co-owners Barry Switzer and Jeff Lund.

In Oklahoma City's second year as an expansion franchise, Jarnigan led the team to a 10-6 record and its second berth in the af2's playoffs. The team finished in a tie for first place in the Midwest Division with an 11-5 record in his first year.

Prior to joining the Wranglers, Jarnigan was the defensive coordinator/defensive backs coach for the af2's Tulsa Talons for three seasons (2001-03). He enjoyed a composite record of 44-10 (.814) while on the staff and captured two National Conference championships. The Talons never lost a home game while he was there and won the ArenaCup in 2003.

Jarnigan's extensive coaching experience began at Fort Hays State University (Kan.) as an offensive line coach in 1988, he transitioned to an assistant coaching position at Bethel College (Kan.) from 1989-92.

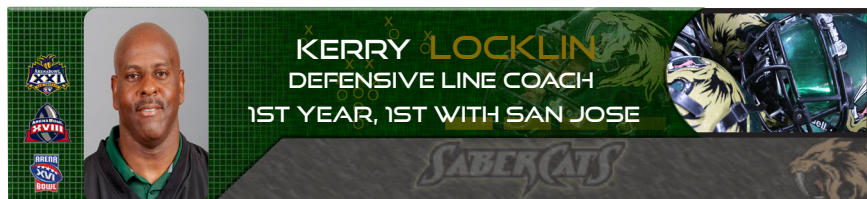

Jarnigan relocated to Sioux City, Iowa where he spent time as the defensive line coach for Morningside College (1993-94). Jarnigan's longest coaching tenure occurred when he was the offensive line coach at Carleton College (Minn.) from 1995-99. His other head coaching experience came when he was with the Minnesota Purple Rage (2000) of the Indoor Football league.

As a player, Jarnigan was an all-conference offensive lineman and three-year starter at Southwestern College in Winfield, Kan. In 1984, he helped the team finish the season ranked third in the nation after being defeated by eventual NAIA champion Northwestern in a semi-final playoff game.

An Oklahoma native and graduate of Midwest City High School, Coach Jarnigan and his wife Liz have three children: Mary, Jack and Emily.

Locklin most recently spent time with the New York Jets in the National Football League for the majority of the 2009 season. The Jets ranked first in the NFL in points allowed per game at 14.7, and posted 32 sacks.

The New Mexico State alum began his coaching career at Western New Mexico University in 1988 as a running backs coach. He spent 1989 as a Graduate Assistant at the University of Utah. From 1990-93, Locklin was the running backs coach at Morehead State, where he worked under current Jets head coach, Rex Ryan. He then moved to the professional level with the Shreveport Pirates of the Canadian Football League, where he spent 1994 as an assistant head coach.

A native of Las Cruces, N.M., Locklin became the defensive line coach at Eastern Michigan in 1995, a post he held for five seasons for the Eagles. The next nine seasons (2000-08) of his career were spent with the Fresno State Bulldogs,

where under his guidance 11 defensive lineman earned All-Western Athletic Conference honors and the Bulldogs appeared in eight bowl games. Two WAC Defensive Players of the Year thrived under Locklin during his tenure, in Garrett McIntyre and Alan Harper.

During his playing career, Locklin was a tight end at New Mexico State for four years, where he was named an All-America Honorable Mention. He was also named a two-time athletic all-conference and two-time academic all-conference honoree in his time with the Aggies.

After his collegiate career, Locklin was drafted by the Los Angeles Rams in the sixth round of the 1982 NFL draft. He spent three seasons in the NFL, two with the Rams and one with the Denver Broncos. He concluded his professional career by playing two more years in the United States Football League with the Arizona Wranglers.

**FRIDAY MARCH 11, 2011**  
**HP PAVILION**  
**SAN JOSE SABERCATS VS. SPOKANE SHOCK**  
**ATTENDANCE: 10,563**

San Jose SaberCats football returned with a bang Friday night before a raucous crowd at HP Pavilion as the three-time ArenaBowl champion SaberCats topped the 2010 AFL champion Spokane Shock 76-48.

Quarterback Mark Grieb threw for 222 yards and six touchdowns, increasing his total to 721, completing 84 percent (21-25) of his passes in his 97th consecutive start. On the defensive side of the ball, defensive lineman Gabe Nienhuis showed why he was named Defensive Player of the Year in 2010, providing constant pressure on quarterback Kyle Rowley and helped force him into three interceptions thanks to a strong all-around defensive effort.

Two of those interceptions were returned for touchdowns by SaberCats rookie defensive backs Dwight McLean and Courtney Smith, marking only the fourth time in franchise history the team had two returned for touchdowns.

The SaberCats also enjoyed contributions from fullback and linebacker Chad Cook, who set a single-game career high with three rushing touchdowns while wide receiver Nichiren Flowers tied a single-game career high with four touchdown receptions.

The Shock kicked off to start the game and the kick struck the scoreboard hanging over midfield giving the SaberCats the ball at their 20-yard line. Two plays later, Grieb found veteran wide receiver Rodney Wright in the corner of the end zone for a 25-yard touchdown pass to put the 'Cats on the board.

An interception of a bobbled pass by San Jose defensive back Courtney Smith was returned for a 16-yard touchdown to put the 'Cats up 14-0 with 10:59 remaining in the first quarter.

The Shock answered back with a 16-yard pass from Rowley to wide receiver Raul Vijil set up a two-yard touchdown pass to receiver Markee White bringing Spokane to within seven at 14-7 with 8:04 remaining in the opening quarter.

Gamboa continued to pin the Shock deep in their own territory with a kickoff between the goal posts that set Spokane back at their own three-yard line to start the drive. Three completions by Rowley pushed the ball into SaberCats territory and a long touchdown pass to White cut the SaberCats lead to six at 20-14 with 1:30 remaining in the opening quarter. On the first play of the next drive, Grieb hit Samora Goodson for a 25-yard touchdown pass highlighted by Goodson shaking free of his defender at the ten-yard line on his way to the end zone to put the SaberCats up 27-14.

On the Shock's ensuing possession, Dwight McLean picked off a Rowley pass and returned it 46 yards for a touchdown to put the 'Cats up 34-14 with 10:56 remaining in the half.

Starting from their own five-yard line, Rowley completed three quick passes to drive the Shock inside the SaberCats ten yard-line with fourteen seconds remaining in the half, and a pass interference penalty against San Jose in the end zone gave Spokane the ball at their one-yard line. Rowley scored on a quarterback sneak to bring the Shock within 21, at 48-27.

The SaberCats took over the second half, never allowing Spokane to pull within 14 points. Cook punched the ball into the end zone two more times as the SaberCats closed out the Shock. The offense scored a touchdown on every drive except the final one as the team capped off their return to the Arena Football League with a dominating performance at HP Pavilion.

**HP PAVILION**  
**SAN JOSE SABERCATS VS. KANSAS CITY COMMAND**  
**ATTENDANCE: 9,563**

The San Jose SaberCats topped off their electric home opener last week with an impressive victory over the Kansas City Command. Quarterback Mark Grieb plunged into the end zone late in the game to score a touchdown en route to a 60-57 win, thanks to a Juan Gamboa game-winning field goal with two seconds left.

San Jose opened the game with a nine-yard touchdown pass from Grieb to Nichiren Flowers, who hauled in two touchdown grabs on the night, to push his team-high total to six. The next drive was capped by Offensive Player of the Game, Samora Goodson's 27-yard touchdown catch after Kansas City was unable to score following a goal line stand by San Jose. The Command answered back with quarterback J.J. Raterink's 32-yard touchdown pass to wide receiver Steven Savoy. Fullback Chad Cook recorded his fourth touchdown of the season with a one-yard run, putting the SaberCats ahead 21-6.

With 59 seconds left in the half, wide receiver Rodney Wright made SaberCats history by returning a kickoff 58 yards for a touchdown, tying the SaberCats record for longest kickoff return; a feat that has happened only three other times in franchise history. On the night, Wright had 298 all-purpose yards, marking the highest total in the Arena Football League through March 18. Seconds later, Wright scored on a season-long 38-yard pass from Grieb, who notched the 41st 300-yard passing game of his career (340 yards). Kansas City struck back before the half on a 19-yard touchdown pass to close within six at halftime, 34-28.

The third quarter opened with a 30-yard touchdown pass from Raterink to wide receiver Bradley Chavez to give the Command their first lead at 35-34. After falling behind 42-40, the SaberCats took a one point lead on kicker Juan Gamboa's first career field goal.

The two teams traded touchdowns until San Jose's Mervin Brookins came up with a clutch interception to give the SaberCats the ball with under three minutes to play and the SaberCats down 50-49. On fourth-and-goal on the two-yard line, Grieb delighted the crowd by avoiding defenders on a bootleg, and after a successful two point conversion, San Jose took a 57-50 advantage.

The Command answered back with a quick touchdown to tie the game at 57 with 39 seconds to play. On the ensuing drive, the crowd at HP Pavilion erupted when Gamboa kicked the game-winning field goal to give the SaberCats a 60-57 victory.

In a slugfest between two of the Arena Football League's most storied franchises, the Chicago Rush defeated the San Jose SaberCats by a score of 54-41 as San Jose fell to 2-1 on the young season. SaberCats quarterback Mark Grieb finished with 279 passing yards and three touchdowns.

The Rush were led by quarterback Russ Michna, who totaled seven touchdowns (five passing, two rushing) and 229 yards passing for Chicago. The Rush proved to be effective on the defensive side of the ball as well, forcing the SaberCats into three turnovers, all of which were interceptions.

San Jose got off to a slow start with Chicago scoring on their opening drive. On the ensuing extra point, defensive back Dwight McLean returned a missed kick 49-yards for San Jose's first two points of the game. Grieb steadied the ship, throwing his first touchdown of the game to offensive lineman Mark Lewis, followed by two touchdowns from fullback Chad Cook to put the SaberCats up 21-13. The Rush struck back quickly with a 39-yard touchdown pass by Michna to wide receiver Reggie Gray to close the Rush to within one, 21-20 at the half.

Chicago started fast in the third stanza, scoring 13 unanswered points before Rodney Wright hauled in a five-yard pass from Grieb to make the score 28-33. Wright has notched three consecutive games with at least ten receptions, 100 yards and a receiving touchdown, totaling 15 receptions, 143 receiving yards and one touchdown on the night. Michna followed the San Jose touchdown with one of his own, through the air to wide receiver Charles Dillon to put the Rush up 40-28.

Needing a big play, San Jose got one from the 2010 Defensive Player of the Year defensive lineman Gabe Nyenhuis, who intercepted the first pass of his career on a tipped pass and returned it seven yards for the score. The Rush answered back with a quick touchdown following an onside kick to put Chicago up 47-35 until Grieb connected with Samora Goodson for a ten-yard touchdown pass to pull the 'Cats within six at 47-41. Chicago put together a long drive that ran 5:30 off the clock to seal the victory for the Rush by a final of 54-41.

A Friday night shootout between the San Jose SaberCats and Iowa Barnstormers ended in a 76-69 victory for the visiting Barnstormers as the SaberCats fell to 2-2 on the season. SaberCats quarterback Mark Grieb finished the game with 391 yards and nine touchdowns through the air. The Barnstormers were led by quarterback Brad Banks, who threw for 383 yards and had 11 total touchdowns (ten passing, one rushing).

The SaberCats wasted no time scoring a touchdown in Grieb's 100th consecutive Arena Football League start on a 17-yard touchdown pass to wide receiver Nichiren Flowers, who tied a single-game career high with four touchdown receptions. Iowa struck back with a touchdown of their own on a short pass to wide receiver Erick McCown. The Barnstormers recovered a SaberCats fumble on the ensuing drive and turned it into a seven point lead after a two-play drive was capped by a touchdown pass from Banks to wide receiver Todd Blythe. San Jose answered with the second touchdown pass of the game from Grieb to Flowers, putting the SaberCats up 14-13, made possible thanks to a one-handed catch by Goodson on the previous play in a fourth and long situation.

Following an Iowa touchdown and second missed extra point of the game, the SaberCats answered with an 18-yard connection from Grieb to fullback Chad Cook. The teams then traded touchdowns and Grieb connected with Goodson for a 23-yard score to give the 'Cats a 28-27 lead. After Iowa regained the lead 34-28, offensive lineman Mark Lewis hauled in his second touchdown reception of the season to tie the game at 34 at halftime. Goodson finished with career-highs in receptions (10) and receiving touchdowns (two).

Iowa kicked off the second half with a touchdown on the first play regaining a seven point lead before Flowers caught his third touchdown of the game for San Jose in the corner of the end zone to knot the game at 41. Following another Iowa touchdown the SaberCats drove the length of the field scoring on another Cook touchdown run, his eighth rushing touchdown of the season to knot the game at 48 following the third stanza.

Iowa struck back with a touchdown pass to wide receiver Jesse Schmidt, who led the Barnstormers with 178 yards on 12 receptions for six touchdowns. The SaberCats answered back quickly when wide receiver Burl Toler caught his first career touchdown, a 47-yard strike from Grieb, to even the score at 55. Another Iowa touchdown put the Barnstormers ahead by seven before the SaberCats answered with the fourth touchdown reception of the game for Flowers. With the score tied at 62, Iowa connected on a deep touchdown pass, pulling ahead 69-62. An Iowa interception gave the Barnstormers the ball near midfield, and after advancing inside the ten-yard line, SaberCats defensive lineman Chris Perri forced a fumble that was recovered by San Jose.

The 'Cats were unable to convert on a fourth down, and Iowa regained possession of the ball with less than three minutes remaining. Banks rushed for a touchdown to extend the Iowa lead to 14 points. Grieb connected with Goodson for a touchdown to pull the 'Cats within seven with 28 seconds remaining. An unsuccessful onside kick attempt by San Jose allowed Iowa to run out the clock and preserve the seven point victory.

The fourth quarter kicked off with two quick scores including Goodson's fourth touchdown of the game. The score remained the same until wide receiver Chido Nwokocha scored his first career touchdown on a 30-yard strike from Grieb with just over three minutes remaining. **HP PAVILION**  
**SAN JOSE SABERCATS VS. PHILADELPHIA SOUL**  
**ATTENDANCE: 8,663**

**68**

**61**

In a rematch of ArenaBowl XXII, the SaberCats earned a 68-61 victory over the Philadelphia Soul for their third consecutive win. San Jose never trailed in the game as MVP of the Game quarterback Mark Grieb passed for 221 yards and four touchdowns and ran for another in the win for his 100th career regular season victory with the SaberCats before 8,663 fans at HP Pavilion.

The game began with the San Jose defense picking up where they left off in Tulsa, forcing the Soul into a missed field goal that SaberCats wide receiver Mervin Brookins returned 29 yards. Four plays later, fullback Chad Cook scored on a four-yard run, his 15th rushing touchdown of the season. Philadelphia answered when quarterback Justin Allgood found Offensive Player of the Game wide receiver Donovan Morgan in the back of the end zone to even the score at seven. The SaberCats responded quickly, needing just three plays to regain a seven point lead on a 27-yard touchdown pass from Grieb to wide receiver Nichiren Flowers and taking a 14-7 lead into the start of the second quarter.

After the Soul got within a point, it took Grieb just one play to find Ironman of the Game wide receiver Chido Nwokocha downfield for a 45-yard touchdown, the longest reception of his career. Philadelphia again closed within one when wide receiver Keith Stokes recovered a fumble in the end zone. The 'Cats advanced to the Philadelphia one-yard line on a pass from Grieb to Flowers, and two plays later Flowers found the end zone on a one-yard touchdown run. Kicker Juan Gamboa capped off San Jose's scoring with a career-long 38-yard field goal as the 'Cats took a 31-20 lead into the half.

A six-yard touchdown pass from Grieb to Flowers and a Jamario O'Neal interception return for a touchdown gave San Jose a 45-20 lead midway through the third period. Following a Grieb interception, Philadelphia scored to cut the lead to 45-27 at the end of the third quarter.

Grieb found Nwokocha for a diving catch over the boards in the corner of the end zone to put the 'Cats up 52-27 to start the fourth quarter. Another Philadelphia touchdown brought the Soul within 18, but Cook found the end zone for his second rushing touchdown of the game, extending his season-long streak of consecutive games with two touchdowns to seven. Morgan hauled in his second touchdown catch of the game for Philadelphia to cut the San Jose lead to 59-41. Two touchdowns by the Soul cut the lead to single digits at 62-54 with 47 seconds remaining in the game. The teams then traded touchdowns in the final minute for a final score of 68-61.

Grieb earned his 100th career regular season victory last week over Tulsa, following it up with his 100th win with the SaberCats on Friday night. O'Neal had his first career interception and interception return for a touchdown in the game. San Jose defenders were a regular presence in the Philadelphia backfield as they applied pressure throughout the game on both Soul quarterbacks.

**HP PAVILION**  
**SAN JOSE SABERCATS VS. ARIZONA RATTTLERS**  
**ATTENDANCE: 9,499**

A matchup between the top two teams in the West Division resulted in a back and forth battle as the Arizona Rattlers defeated the San Jose SaberCats by a score of 65-43 before 9,499 fans at HP Pavilion.

Things got off to a quick start when Arizona quarterback Nick Davila found wide receiver Trandon Harvey for a touchdown on the first play from scrimmage. Moments later, San Jose's quarterback Mark Grieb hit wide receiver Otis Amey for a four-yard touchdown in Amey's first game in a SaberCats uniform. After the second Rattlers touchdown of the quarter, Arizona forced San Jose to turn the ball over on downs and took over deep in their own territory. On the ensuing drive, SaberCats defensive lineman Eric Phillips collected his first career sack, forcing a fumble that was recovered by defensive lineman Francis Maka. One play later fullback Chad Cook scored on a five-yard run, his 17th rushing touchdown of the season, bringing the SaberCats within one point at 14-13 at the end of the first quarter.

After Arizona pulled ahead by eight, San Jose embarked on an 11-play drive culminating with a nine-yard touchdown run by Grieb to pull San Jose within a point at 21-20. Rattlers fullback Odie Armstrong found the end zone with under a minute remaining in the half, giving the Rattlers a 28-20 lead heading into halftime.

Arizona took advantage of Grieb's second interception with a 38-yard field goal to take a 31-20 lead midway through the third quarter. The SaberCats answered back as Grieb completed six passes on the next drive, the last finding Nelson in the corner of the end zone for his first touchdown of the season, narrowing the deficit to 31-27 at the conclusion of the third stanza.

The Rattlers struck back with a touchdown on their first drive of the fourth quarter on a nine-yard pass from Davila to wide receiver Jason Geathers to put Arizona ahead, 38-27. The back and forth scoring continued when Grieb found Nelson for a 31-yard diving touchdown catch, Nelson's second touchdown reception of the game. Arizona answered on the first play of their next drive with a touchdown strike to wide receiver Rod Windsor to lead again by eleven, 45-34. The SaberCats answered back when Grieb found Amey for a 45-yard touchdown pass, his second of the game. An extra point attempt following a Rattlers touchdown was blocked by defensive lineman Maka and returned for a two-point score by wide receiver Mervin Brookins that brought San Jose within one score at 51-43. The SaberCats stalled the Rattlers next drive that resulted in a missed 44-yard field goal by kicker Fabrizio Scaccia, but fullback Kevin McCullough recovered the miss in the end zone to help the Rattlers pull away.

The loss dropped San Jose's all-time regular season record against Arizona to 16-14. Grieb finished with 264 passing yards and four passing touchdowns along with a rushing score. Amey and Nelson each hauled in a pair of touchdowns, and the defense collected two sacks and forced two fumbles in the loss. Brookins posted 155 return yards and six tackles on his way to being named JLS Ironman of the Game.

CONSOL ENERGY CENTER  
SAN JOSE SABERCATS @ PITTSBURGH POWER  
ATTENDANCE: 7,333**

**54**

The SaberCats suffered their second road defeat of the season, 54-48 to the Pittsburgh Power, following a 31-yard touchdown pass to wide receiver Jason Willis from quarterback Bernard Morris with 14 seconds remaining in front of 7,333 at CONSOL Energy Center. The loss dropped the SaberCats to 5-4 at the midway point of the season.

San Jose got off to a slow start, yielding scores on the first two drives to Pittsburgh, as Morris found Willis (15 yards) and wide receiver Mike Washington (13 yards) to give the Power an early 14-0 advantage. San Jose responded with 21 unanswered points, including one of fullback Chad Cook's three rushing touchdowns, helping him break the SaberCats' single-season record for rushing scores in a season (20), originally set by wide receiver Barry Wagner (18) in 2003. Wide receivers Ben Nelson and James Roe, who saw his first action of the 2011 season, posted one receiving touchdown each during the 21-point surge, making it 21-14 as the first quarter expired. The SaberCats offensive flurry was ignited by takeaways on their defense as defensive back Jamario O'Neal notched his second interception of the season, followed by defensive lineman Francis Maka's fumble recovery off of a failed snap.

Pittsburgh responded, as National Guard MVP of the Game wide receiver Mike Washington hauled in two touchdown receptions, totaling 12 catches for 120 yards and four touchdowns on the night. At the tail end of the first half, Pittsburgh stuffed a San Jose offensive drive at the goal line to hold the score at 34-33 heading into the half.

At the start of the second half, the two teams exchanged scores, with Roe posting his second touchdown of the game, followed by Cook's record-setting rushing score. The San Jose defense held the Power to only one touchdown as the two teams headed into the fourth stanza.

The final quarter saw both teams turn the ball over on downs, with San Jose driving deep into Pittsburgh territory with under one minute remaining in the game. The Power came up with another goal line stand giving their offense the ball in the final minute before Morris connected with Willis with 14 seconds remaining to seal the victory. The SaberCats put together a last second drive, but came up short when a grab from wide receiver Burl Toler near the goal line wasn't enough as time expired.

The SaberCats defense forced four turnovers on the night, the second largest total on the season. San Jose's Nelson posted five receptions for 75 yards and a touchdown, passing the 6,000 yard receiving mark for his career. Defensive back Eddie Moten posted his third interception of the season and is now tied for the team lead with wide receiver/defensive back Mervin Brookins, who saw significant time at receiver, where he posted single-game career highs with six receptions for 72 yards.

**SATURDAY JUNE 18, 2011  
US AIRWAYS CENTER  
SAN JOSE SABERCATS @ ARIZONA RATTLETS  
ATTENDANCE: 9,397**

In front of 9,397 at the US Airways Center, the SaberCats suffered their sixth consecutive loss at the hands of the Arizona Rattlers 64-57. Arizona scored with ten seconds remaining as Arizona quarterback Nick Davila found former SaberCats wide receiver Jason Geathers for the winning score. San Jose quarterback Mark Grieb threw for 285 yards on 26-40 passing (65.0%) and six touchdowns in the defeat.

The Arizona defense proved to be tough on the opening drive, forcing Grieb into an interception that turned into seven quick points on a Davila 12-yard touchdown pass to wide receiver Kerry Reed. On the ensuing kickoff, recently signed linebacker Chris Vedder returned the kickoff 56 yards for a touchdown on only his second career return in the Arena Football League tying the game 7-7.

San Jose wide receiver James Roe caught his second touchdown pass of the season, playing in his first game since May 14. On the ensuing kick, Rattlers defensive back Virgil Gray returned the ball 58 yards for a touchdown. Grieb answered back, finding wide receiver Ben Nelson for San Jose's next two scores. The game went into half-time tied 35-35, both teams look to take control of the game in the second half.

San Jose came out of the gates quickly as defensive back Dwight Mclean forced fullback Odie Armstrong to fumble and the ball was recovered by 2010 Defensive Player of the Year Gabe Nyenhuis. On the next drive fullback Chad Cook found paydirt, punching it in for his 26th rushing touchdown of the season, while carrying defenders into the end zone for the score. Arizona drove to the San Jose one-yard line on the following drive, but the SaberCats stuffed the Rattlers on four consecutive plays for an impressive goal line stand. San Jose then built on their lead with a touchdown catch by wide receiver James Roe showing his sure hands in the red zone once again putting the team up by two scores at 49-35. On the following kickoff, Gray returned the kickoff for a touchdown, his second of the game, making it 49-42 heading into the fourth quarter.

With the SaberCats driving, a fumbled snap gave the Rattlers the ball back. Davila wasted no time finding Reed for a 23-yard score to knot the game at 49. Arizona then forced San Jose to turn the ball over on downs with 1:07 remaining. Rattlers wide receiver Rod Windsor caught his first touchdown of the game, putting the Rattlers up 56-49. With San Jose needing a score, Grieb found Nelson for a 26-yard touchdown. Owner/Head Coach Darren Arbet went for a two-point conversion and Roe made another spectacular catch in the back of the end zone, giving the SaberCats the lead with just 23 seconds remaining at 57-56. The Rattlers found that 23 seconds was just enough time as they scored a touchdown, and added the two-point conversion to seal the 64-57 victory.

The SaberCats were led by wide receiver Marco Thomas, who posted ten receptions for 87 yards and one touchdown in his first game for San Jose. Vedder became the first SaberCats rookie to return a kick for a touchdown since defensive back Trestin George returned a kick 56 yards against the Utah Blaze on April 28, 2007.

Cleveland quarterback Kurt Rocco then had to enter the game for an injured Andrico Hines. Rocco got off to a quick start as he connected with wide receiver Robert Redd for a 12-yard touchdown to make it 20-0 after a successful two-point conversion.

San Jose finally found the endzone when Grieb, who threw for 203 yards on 20-of-34 passing, connected with wide receiver Marco Thomas on a four-yard strike. Kicker Juan Gamboa recovered his own onside kick and the SaberCats offense drove into the Gladiators red zone but was unable to score when defensive back Levy Brown intercepted a Grieb pass and returned it for a 51-yard score. The Gladiators then went for the knockout blow, by going for and recovering an onside kick. The Gladiators would score on that drive as well as recovering a kickoff in the endzone to go into halftime up 41-7.

San Jose opened the second half throwing interceptions on consecutive drives, which Cleveland capitalized on with a pair of touchdowns. Being thoroughly out of the game, San Jose put in quarterback McLeod Bethel-Thompson in the third quarter. Defensive back Joe Phinisee intercepted another pass and returned it seven yards for a touchdown to put Cleveland up 61-7.

Wide receiver Ben Nelson was one of the lone standouts for San Jose, making eight receptions for 101 yards with a score. The Gladiators cruised to an easy victory forcing nine turnovers and winning convincingly 82-21.

Before a crowd of 8,216 at HP Pavilion the San Jose SaberCats returned home for the first time since May 28th to upset the Jacksonville Sharks 83-70 in a matchup featuring legendary Arena Football League quarterbacks Mark Grieb and Aaron Garcia. San Jose entered the contest two games out of a playoff spot in the National Conference and won for the first time in their last eight games, ending the Sharks league-record 13-game winning streak.

The initial Jacksonville drive saw Garcia lead the Sharks the length of the field, culminating with a five-yard touchdown pass to wide receiver Jamarko Simmons to open the scoring. The SaberCats answered with a game-tying 23-yard touchdown pass from Grieb to offensive lineman Mark Lewis, his third touchdown reception of the season and Grieb's 70th of the season, making him the only player in AFL history to have 70 or more touchdown passes in eight consecutive seasons. On Grieb's second completion of the game to wide receiver Ben Nelson, he surpassed 4,000 passing yards for the sixth consecutive season, another AFL record. Following a Jacksonville score, San Jose fullback Chad Cook crossed the goal line to even the score at 14, his 27th rushing touchdown of the year.

The Sharks started the second quarter with Garcia connecting with receiver Jomo Wilson for a 45-yard touchdown. After fumbling a snap that Jacksonville recovered, San Jose fell behind by two touchdowns when Garcia found Wilson for his second receiving touchdown of the game, extending the Sharks lead to 28-14. The SaberCats cut the lead to seven again, as Grieb found Nelson in the back of the end zone for a four-yard touchdown. Jacksonville regained a two score advantage when Garcia hit Wilson for a ten-yard touchdown. On the ensuing drive, Grieb was intercepted by defensive back LaRoche Jackson, setting the Sharks up for another Wilson receiving touchdown, his fourth of the half. San Jose cut the lead to 42-28 on the last play from scrimmage of the first half when Grieb found receiver Marco Thomas in the corner of the end zone for a 24-yard touchdown.

The SaberCats struck quickly to open the second half on a 12-yard pass from Grieb to wide receiver James Roe to bring them within one score at 42-35. The teams then traded scores, as Grieb connected with Cook for a 34-yard score, his first receiving touchdown since April 1st and the longest in franchise history by a fullback. Defensive back Dwight McLean forced a fumble on the ensuing kickoff that was recovered by defensive lineman Kai Ellis in the endzone to knot the score at 49 late in the third quarter. Grieb found receiver James Roe in the corner of the end zone for a go-ahead touchdown giving San Jose their first lead of the game, 56-49.

Following a Sharks touchdown, Grieb led the SaberCats the length of the field punching it in from the four-yard line to regain a seven point lead on his fourth rushing touchdown of the year. On the following drive defensive Trestin George intercepted Garcia in the end zone. Grieb then connected with Nelson for a 29-yard touchdown pass, Nelson's second score in the game, to put the 'Cats up 70-56. Jacksonville answered with a touchdown to pull within seven points but San Jose answered with Cook's second receiving touchdown of over 25 yards of the contest, the first time in franchise history a fullback has accomplished the feat. The teams traded scores to end the game, the last SaberCats touchdown coming on a one-handed catch by Roe in the end zone.

**VETERAN'S ARENA**  
**SAN JOSE SABERCATS @ SPOKANE SHOCK**  
**ATTENDANCE: 9,680**

The SaberCats lost to the Spokane Shock on a quarterback Kyle Rowley 34-yard Hail Mary pass to wide receiver Randy Hymes as time expired to give Spokane the victory 63-61 over San Jose in front of 9,680 fans at Veteran's Arena. The loss knocked the SaberCats out of playoff contention with the Shock punching their ticket to the post-season.

Quarterback Mark Grieb finished the game with 315 passing yards on 32-44 (72.7%) passing for seven touchdowns, earning MVP honors in the process. He also passed 800 career touchdown passes, becoming only the fifth player in Arena Football League history to reach that number. Wide receiver James Roe earned Russell Athletic Offensive Player of the Game after posting his second 100-yard receiving game of the season, hauling in 11 passes for 132 yards and four touchdowns, surpassing 800 receptions for his career in the process. He becomes only the 11th player in AFL history to surpass the milestone.

San Jose capitalized on an early turnover, as Grieb found Roe for a seven-yard score. On the ensuing drive, Spokane quarterback Erik Meyer was knocked out of the game on a rushing attempt that also saw SaberCats defensive back Eddie Moten ejected for a personal foul penalty after the play. The Shock would score on backup quarterback Kyle Rowley's sneak, making it 7-5 after the failed extra point attempt. San Jose answered back with back-to-back Victor James rushing touchdowns after the SaberCats defense was able to force the Shock to turn the ball over on downs.

At the start of the second quarter, Rowley led a six-play drive that covered 41 yards, to pull the Shock within eight at 21-13 when he found Hymes for the three-yard score. Rowley continued his solid play when he would find receiver Brandon Thompkins for the 22-yard score, cutting the San Jose lead to one at 21-20. Spokane failed on an onside kick attempt and Grieb capitalized three plays later, hitting wide receiver Ben Nelson for an eight-yard touchdown. The Shock answered back as wide receiver Adron Tennell scored with 19 seconds left on the clock. With four seconds remaining in the half, Grieb threw a 14-yard touchdown pass to wide receiver James Roe in the back of the endzone with no time left, sending San Jose into the half up 35-27.

The SaberCats opened the second half the way they started the game as the connection of Grieb to Roe proved successful once again with a 26-yard catch and run to put San Jose up two scores at 41-27. The Shock answered back with a two-yard pass to Tennell to keep Spokane close. Spokane scored again when Thompkins found the endzone for a 19-yard touchdown catch, cutting the San Jose lead to 41-40.

Grieb then led a 30-yard drive that took 4:08 off the clock and pushed the SaberCats advantage to 48-40 with less than ten minutes remaining in the contest. The two teams would exchange scores on the next two drives, as Nelson found the endzone for the second time. With 1:31 remaining, Rowley hit Hymes for the short score, before tying the game with an on a Thompkins end around. On the ensuing kickoff, wide receiver Marco Thomas was tackled for a safety with under one minute left, but kicker Juan Gamboa recovered his third onside kick of the season on the kickoff. The SaberCats methodically ran the clock down to four seconds when Roe found the endzone for the fourth time. With one play left to run, Rowley hit Hymes in between the uprights for the final touchdown on a Hail Mary, giving Spokane the victory, 63-61.

San Jose responded quickly as quarterback Mark Grieb put together a four-play 41 yard drive that saw San Jose score on a ten-yard pass to receiver James Roe. Three plays later, Grothe connected with wide receiver Amarri Jackson for the 35-yard touchdown, who finished the game with 112 receiving yards on eight receptions and four touchdowns. SaberCats fullback Chad Cook would tack on his 30th rushing touchdown of the year, as San Jose took a 14-13 lead into the second quarter.

It was a big second quarter for Roe, who on his third catch of the game became the 11th player in Arena Football League history to surpass 10,000 career receiving yards. Grieb would later find wide receiver Ben Nelson for an eight-yard touchdown, making it 21-16 in San Jose's favor. Jackson posted the Storm's next two scores, but Roe would notch his second touchdown reception in between Jackson's touchdowns. On the touchdown pass to Roe, Grieb became the AFL single-season record holder for passing yards. The record was originally set by former Milwaukee Iron QB Chris Greisen who threw for 5,146 yards in 2010. He finished the contest with 315 passing yards, pushing his season total to 5,312. Tampa Bay took a 29-28 lead into the second half.

The Storm came out hot in the second half, as Jackson caught his fourth touchdown of the game on a 39-yard pass from Grothe. The connection of Grieb to Roe proved successful again, cutting the Storm lead to 36-35. After a San Jose defensive stop Grieb found receiver Marco Thomas for a 25-yard touchdown. Grothe proved tough, rushing the ball in from three yards out, putting Tampa Bay up 43-41. With just 36 seconds remaining in the contest, Gamboa connected on a 27-yard field goal, but Tampa Bay moved quickly with no timeouts remaining when Edwards found paydirt to seal the victory for the Storm.

Roe finished the game with eight receptions for 98 yards and four touchdowns, and his season, with his career totals standing at 818 receptions for 10,057 yards and 248 touchdowns. Grieb finished the season sitting at 42,128 yards and 810 touchdown passes. San Jose wide receiver Ben Nelson surpassed 1,000 yards for the season, doing so in only 11 games played. It marked the fifth consecutive season he reached 1,000, finishing 2011 with 1,019.

# A HISTORICAL LOOK AT THE SABERCATS

## WHEN IT STARTED

October 26, 1994 was the day the Arena Football League approved the city of San Jose's application for an expansion franchise to begin play in 1995. San Jose became the fifth AFL expansion team for the 1995 season, along with St. Louis, Memphis, Hartford and Des Moines. The expansion of the league by five teams is the largest expansion of an American professional sports league since the National Hockey League added six teams in 1967.

## THE NAME

The name SaberCats portrays a vivid image of strength, power and destruction. In prehistoric times, the SaberTooth Cat (known as "Smilodon Californicus" to archaeologists) was widely found throughout Europe and the United States with the largest concentration believed to inhabit what is now California. The ancient prehistoric cat was a formidable hunter that was rendered extinct by the massive ice flows that covered much of the earth during the "Ice Age" more than 2,000,000 years ago. The United States is home to the largest collection of fossilized dinosaur bones found in the world, with the largest number of SaberTooth Cat fossils found in Southern California's La Brea Tar Pits. In fact, due to the enormous number of fossils unearthed, the SaberTooth Cat has been adopted as California's official state fossil. The classic SaberTooth Cat was a fierce predator whose whole body was powerfully built to make it a very efficient carnivore.

## THE PLAYERS

He will forever be the answer to a SaberCats' trivia question. Who was the first official player in San Jose history? That distinction goes to Jeff Mayes, a wide receiver/linebacker from Vanderbilt University, who was San Jose's first selection (fourth overall) in the 1994 AFL Expansion Draft. Other notables in the draft included WR/DB Amod Field (second round), WR/LB Anthony Howard (fifth round), WR/DB Chris Barber (sixth round) and OL/DL Alo Sila (seventh round). The roster of players assembled by Director of Football Operations Terry Malley and Head Coach Todd Shell finished its inaugural season with a record of 8-4 and became the first team in professional sports history to capture a division championship as an expansion team.

## AFL COMMISSIONER JERRY KURZ

Jerry B. Kurz returns for his 27th season of Arena Football and third season as the AFL's Commissioner. Out-tenured only by the creator of Arena Football, Jim Foster, Kurz has dedicated his life to furthering the sport with a strong business ethic and core values meant to bring the highest quality product to the ever-growing fan base of arena football fans.

In his time as the president of the af2, the league saw extensive growth in small-to-mid sized markets, building an extremely dedicated fan base across the country. That foundation helped to fuel the return of the Arena Football League in 2010 after a year on hiatus due to financial instability. Kurz and a group of enthusiastic investors arranged the acquisition of the AFL's assets in bankruptcy court in late 2009 and revived the league in early 2010, fulfilling the promise that Arena Football would be played in 2010.

Kurz has also served as the AFL's Vice President of International Development, where he was in charge of the League's international exposure. During his tenure, he was responsible for administering the H3 Visa program, allowing international players to play for AFL teams stateside. He also arranged and executed all internationally played games for the Arena Football League.

Arena Football isn't Kurz's only claim to fame. He is also a founding member of Gridiron Enterprises, Inc., a sports consulting firm based out of Chicago. Gridiron Enterprises, consisting of Kurz, Foster and attorney William Niro, is the original founder of the AFL. Kurz has been a player, a coach, a general manager and an owner during his lifelong involvement with the game of football. He is also a member of four football Halls of Fame, including membership in the first class of the Arena Football Hall of Fame as well as membership in the arenafootball2 Hall of Fame.

Kurz attended the University of Oklahoma as an undergraduate and later earned his Juris Doctor Degree at Northern Illinois. Kurz is a licensed attorney in Illinois and operated a law firm with his wife, Kathryn Hall, for 20 years. Jerry and his wife, Kathryn, have one son named Matthew who is currently a football coach at Lake Forest College.

## 2012 PLAYOFF FORMAT

### PLAYOFF QUALIFICATION

Eight teams qualify for the playoffs, four from each conference - American and National. The four qualifying teams in each conference consist of the two division champions and two Wild Cards, determined by best overall record. Seeding in each conference is based on overall record, with the top two seeds in each conference reserved for the division champions, regardless of record. In the First Round, July 27-28, the first two seeds in each conference are the two division winners. The next two teams are seeded by next best two overall records. Teams ranked 1 and 2 earn home playoff games with 1 hosting 4 and 2 hosting 3. In the Conference Championship Round, August 3-4 the winner of the 1-4 game plays the winner of the 2-3 game. The home team is decided by the team with the higher seed. The winners of the Second Round will face off in ArenaBowl XXV on August 10th in New Orleans.

### TIE-BREAKING PROCEDURES

If, at the end of the regular season, two or more teams are tied with identical won-lost percentages, the following steps will be taken to determine seeding.

### DIVISION CHAMPIONSHIPS

If two teams are tied as Division Champions...

1. Record in head-to-head games
2. Record within the division
3. Record against common opponents
4. Point spread in head-to-head games
5. Point spread in games against common opponents
6. Coin toss

### TWO TEAMS

1. Head-to-head best won-lost percentage in games among clubs
2. If teams split head-to-head games, the next tiebreaker will be the point differential in those games
3. Best won-lost percentage in common games, if applicable
4. Strength of schedule
5. Best net total of touchdowns in all games
6. Coin Toss

### THREE OF MORE TEAMS:

- ▲ If two clubs remain tied after a third club is eliminated during any step, tiebreaker reverts to step 1 of the two-club format
  - ▲ If one team wins multiple-team tiebreaker to advance to playoff round, remaining teams revert to step 1 of the two-club format
  - ▲ All teams must have played head-to-head for step 1 to be utilized in a multiple-team tie
1. Head-to-head best won-lost percentage in games among clubs.
  2. Best won-lost percentage in common games, if applicable
  3. Strength of schedule strength up.
  4. Best net total touchdowns in all games.
  5. Coin toss

# RULES OF THE GAME

## RULES OF THE GAME

## RULES OF THE GAME

### FIELD

An indoor padded surface 85 feet wide and 50 yards long with eight-yard end zones. Goal posts are nine feet wide with a crossbar height of 15 feet (NFL goal posts are 18-1/2 feet wide with the crossbar at 10 feet). The goal-side rebound nets are 30 feet wide by 32 feet high. The bottoms of the nets are eight feet above the ground. Sideline barriers are 48 inches high and made of high-density foam rubber.

### EQUIPMENT

The official football is the same size and weight as the National Football League ball. Each ball is manufactured by Spalding, a division of Russell Corporation.

### PLAYERS AND FORMATIONS

Eight players on the field; 21-man active roster; three-man inactive roster. Players may play both offense and defense. Substitution: Coaches are permitted to substitute players at will. Four (4) offensive players must line up on the line of scrimmage. Three (3) defensive players must be down linemen (in a three- or four-point stance). One linebacker may blitz on either side of the center. Alignment is two-or-more yards off the line of scrimmage. No stunting or twisting. Offensive motion: One receiver may go in forward motion before the snap.

### TIMING

Four 15-minute quarters with a 15-minute halftime. The clock stops for out-of-bounds plays or incomplete passes only in the last minute of each half and when the referee deems it necessary for penalties, injuries or timeouts. Each team is allowed three (3) timeouts per half.

### MOVEMENT OF THE BALL AND SCORING

Four (4) downs are allowed to advance the ball 10 yards for a first down, or to score. Six (6) points for a touchdown. One (1) point for a conversion by place kick after a touchdown, two (2) points for a conversion by drop kick and two (2) points for a successful run or pass after a touchdown. Three (3) points for a field goal by placement or four (4) points for a field goal by drop kick. Two (2) points for a safety.

### KICKING

Kickoffs are from the goal line. Kickers may use a one-inch tee. Punting is illegal. On fourth down, a team may go for a first down, touchdown or field goal. The receiving team may field any kickoff or missed field goal that rebounds off the net. Any untouched kickoff, which is out of bounds, will be placed at the 20-yard line or the place where it went out-of-bounds, whichever is more advantageous to the receiving team.

### PASSING

Receivers must have one foot in bounds for a catch. A forward pass that rebounds off the rebound net or sideline barrier is a live ball and is in play until it touches the playing surface.

### OVERTIME RULES

Overtime periods are 15 minutes for both the regular season and the playoffs. Each team gets one possession to score. If, after each team has had one possession, one team is ahead, that team wins. If the teams are tied after each has had a possession, the next team to score wins.

## HP PAVILION AT SAN JOSE

HP Pavilion at San Jose has been recognized as the biggest success story in the revitalization of downtown San Jose. For more than a decade the facility with its distinctive 10-story glass pyramid entry and unique stainless steel facade has been the place to be and be seen in the Bay Area.

Located in the heart of Silicon Valley, HP Pavilion is an exemplification of the architectural excellence and technological innovation that defines the area.

That statement carries more weight today, especially after the completion of a \$16.5 million renovation over the summer of 2007. The costs were shared by the City of San Jose and HP Pavilion.

Patrons entering HP Pavilion will now enjoy the latest in audio and video technology to enhance their viewing experience. Most noticeable to the eyes is the high resolution LED center hung scoreboard - one of the largest in North America. The middle of the arena bowl features a full-color moving LED fascia display (also known as a ribbon board).

For the ears, there's a new state-of-the-art digital sound system and acoustical improvements. Finally, there were some minor changes to allow for interfacing with high definition telecasts originating from HP Pavilion and an increased rigging capacity for concerts and shows.

Besides the San Jose Sharks, champion teams (such as the three-time ArenaBowl Champion San Jose SaberCats of the Arena Football League and the 1995 Roller Hockey International Champion San Jose Rhinos) and championship events (three NCAA Men's Basketball Western Regional Finals, 2003-07 Pac-10 Women's Basketball Tournament, 1999 NCAA Women's Basketball Final Four and the 2007 Visa Gymnastics Championships) have taken place at HP Pavilion.

In addition, headliners such as Bruce Springsteen, The Rolling Stones, Barbra Streisand, The Three Tenors and Paul McCartney have performed before capacity crowds.

HP Pavilion at San Jose continues to set the standard for sports and entertainment venues worldwide. Pollstar Magazine ranked HP Pavilion as the No. 3 venue in the United States and seventh in the world in terms of non-sports tickets sold during the 2005 calendar year.

"HP Pavilion is San Jose's premiere sports and entertainment venue, drawing hundreds of first class events to San Jose every year," San Jose Mayor Chuck Reed said at the press conference announcing the improvements. "It's an economic engine that brings hundreds of thousands of people to downtown San Jose every year. We want to ensure that it continues to thrive in that role for the foreseeable future."

"The staff at HP Pavilion at San Jose takes great pride not only in providing world-class entertainment to our fan base, but also in maintaining a state-of-the-art venue that the people of San Jose can take pride in," Silicon Valley Sports and Entertainment President and Chief Executive Officer Greg Jamison said. "The enhancements will not only improve the quality of the fan experience, but it will also get the building to the standards that have become customary in entertainment facilities today."

### INSIDE THE IMPROVEMENTS CENTER HUNG SCOREBOARD

The new high resolution display is 18x24 feet and provides a 16x9 video image ratio used in High Definition television displays. The old analog video display was 9x12 feet.

### LED FASCIA DISPLAY

This full-color, moving LED display (also known as a ribbon board) provides a very dramatic visual experience for guests.

The display allows HP Pavilion to provide flexible programming for events such as the NCAA Championships that require specific guidelines.

### SEATING AREA SOUND SYSTEM

The new sound system uses state-of-the-art digital equipment and incorporates outward facing speaker clusters as opposed to distributed speaker placement.

Guests will notice a clearer, more audible sound quality as sound will be generated from the center of HP Pavilion, as opposed to all around the building.

### RIGGING CAPACITY UPGRADE

The capacity was increased from 75,000 to 150-200,000 pounds.

Concerts and in-arena events now utilize standard loads of 60-80,000 pounds and larger shows run 125-150,000 pounds. When HP Pavilion opened in 1993, a standard show load was 40,000 pounds and large shows had an average load of 60-80,000 pounds.

### HD VIDEO EQUIPMENT UPGRADE

More sporting events are now being televised in HD, as opposed to analog.

The upgrade insures reliability and interfacing with the new center hung scoreboard, LED systems, TV trucks and the new HP HD televisions within HP Pavilion.

## HISTORY AT HP PAVILION

### THE SABERCATS RECORD AT HP PAVILION

The SaberCats hold a distinct advantage when it comes to playing at HP Pavilion. Over their history, the SaberCats have compiled a 83-29 (.741) regular season record and are 13-4 (.765) in the postseason for a combined 96-33 (.744) ledger. Under Owner/Head Coach Darren Arbet the SaberCats own a 69-16 (.812) regular season record and are 14-3 (.823) in postseason games at HP Pavilion. San Jose has held three regular season home win streaks of 10 games or more in recent history and had a 14-game regular season winning streak that stretched from June 16, 2001 to April 11, 2003. Included in that run were four playoff wins that stretched the team's overall win streak to 18 games. From April 19, 2003 to May 30, 2004, the SaberCats strung ten consecutive regular season wins together and twice the team has gone an entire season without losing a home game. In 2002, when the SaberCats captured their first ArenaBowl title, they were a perfect 7-0 during the regular season and 3-0 in the playoffs, including a resounding 52-14 win before a sellout crowd of 16,942 in ArenaBowl XVI on August 18, 2002.

## 'CATS IN THE COMMUNITY

The San Jose SaberCats organization continues to be a major player in the Bay Area community. Whether it is through donations made through the SaberCats ticket donation program to various non-profit organizations throughout the year or on-site visits made by players and staff members from the three-time ArenaBowl champions or SaberKittens, the organization maintains an active relationship with the community in which they serve. Appearances are routinely made during the season for local schools, youth organizations, career days, civic groups, and youth athletic clubs by members of the SaberCats organization. If you have an event you would like the SaberCats to participate in or have an idea for a community event, please visit the community page at [www.thesanjosasabercats.com](http://www.thesanjosasabercats.com). SaberKittens appearance request forms are online at the SaberKittens page on the team's official website.
