What our couples are saying:

Wedding weekend at its finest! Thank you for such great service! We enjoyed every minute! I have had a bridal shower and now a wedding here and would not hesitate to give the highest of recommendations to the Fedders family! Thank you all!!

Michele H.

My son had his wedding and reception two days ago. I cannot say enough wonderful things about this facility and the staff. Guests were blown away at how beautiful and clean everything is. There was not one need that wasn't met with a smile.

Greg and Penny were so great to work with and the venue was stunning for our wedding celebration! My husband and I live in NJ, but had our reception here since it's near my hometown. Being able to use the venue's own catalog of decorations and add-ons was so much more convenient for us than trying to buy, store, and transport it ourselves. We found the venue super affordable, and the mansion that we, and part of our wedding party stayed in over the weekend were absolutely stunning. We've received so many compliments on how beautiful everything was for our reception and we owe so much of that to Greg and Penny at Ludlow Mansion Events!
