Installation Guide

maisonovo

STEP 1

- Apply adhesive to the back of the wall mounts evenly.
- Press wall mount seamlessly to surface of your choice.

STEP 2

- Use Auxiliary Stickers to hold wall mount in place.
- For better result, leave adhesive to cure for 24-48 hours.

STEP 3

- Apply the label of your choice to bottles.
- Fill soap/ lotion into dispenser with the funnel provided.

STEP 4

- Pop up the pump by turning it counterclockwise.
- May remove plastic ring inside pump for better stability.
