About Wisconsin Family Action's 2023-2024 Legislative Scorecard

Wisconsin Family Action (WFA) is pleased to present its *2023-2024 Legislative Scorecard*. This Scorecard covers the two-year legislative session our state legislators recently concluded, running from January 2023 through this spring.¹ This publication is a compilation of significant floor votes, committee votes, and author and co-sponsors on a cross-section of legislative proposals dealing in some way with marriage, family, the sanctity of human life, or religious freedom.

This *2023-2024 Legislative Scorecard* is a part of WFA's mission of strengthening, preserving, and promoting marriage, family, life, and religious freedom in the Badger State. We are working for a Wisconsin where God is honored, life is cherished, families thrive, and religious freedom flourishes.

Our mission and vision will happen only as individuals across the state become involved in their culture and their government. Holding elected officials accountable for their policy work is an extremely important part of good citizenship. We hope this information is helpful to you as you exercise your civic duty as a citizen of this state.

To find out who your state legislators are, visit www.legis.wisconsin.gov, "Who Are My Legislators" on the home page, or call the WFA office at 608-268-5074 (toll-free 866-849-2536).

¹Technically, Wisconsin's legislative sessions run from early January in odd-numbered years through December 31 of even-numbered years. However, in practice, the second year of the two-year session typically finishes no later than early April as it relates to floor sessions. After that, the officials are involved in campaigns, and no floor periods for voting take place.

WFA Scoring Methodology

Specific legislative actions of each legislator are “scored” in comparison to Wisconsin Family Action’s (WFA) position on a bill. This year, in addition to a number of key floor votes, we have included select committee votes. Committee votes are important opportunities for elected officials to do the right thing on a given legislative proposal.

In this edition, we have also included a few bills where we scored Author/Co-sponsors. For instance, on AB 975/SB1011, five senators authored or sponsored these companion bills, which allowed for abortion up to 14-weeks fertilization except in the case of medical emergency as defined in the bill. The state’s four major pro-life organizations all opposed the bills because currently the state’s pre-Roe abortion ban is still technically in effect while a court case challenging that law continues through the courts. Passing this bill would have preempted the much better pre-Roe law that bans most abortions with the exception for the life of the mother. We have appropriately noted the other bills where authors/co-sponsors were scored.

Legislators **are not penalized for opportunities they did not have**, such as not serving on a committee where a vote took place, or if they were excused from a floor session where a vote took place. In the Assembly, if a representative was not available to vote but “paired” his/her vote, we did consider those as indicators of the legislator’s publicly recorded position on the bill. “**Pairing**” is when two legislators not on the floor to vote, agree to inform leadership that one is a “yes” on a bill and the other is a “no.” Their “pairings” are not recorded as part of a roll-call vote and don’t count in the final vote tally but do show on the official roll-call sheet, noted as “**PAIRED.**”

This session legislators were dealing with a divided state government. While both the Senate and Assembly had strong Republican-versus-Democrat majorities (64-35 in the Assembly, 22-11 in the Senate), the governor is a Democrat with decidedly different positions on issues and markedly different priorities. This scenario resulted in many bills being voted on and passed in both houses, with the governor vetoing a significant number of them.

Important to remember, too, is that typically the majority leadership in both the Assembly and the Senate will not allow a bill to go to the floor unless they are sure they have the votes to pass it. The Senate did not have any floor or committee votes on an important bill; therefore, we included author/co-sponsorship on that bill to capture leanings in the Senate. Assembly leadership put some bills on the floor this session that did not have the full support of all Republican legislators. This accounts for how few Assembly representatives scored 100% on this Scorecard.

A **100% score** indicates the legislator agreed with WFA’s position on all scored items. We are especially grateful for legislators who have earned this distinctive achievement. These legislators are highlighted in **blue** on the Scorecard.

WFA cannot account for votes that did not happen because some legislators had the courage to oppose a bill, and thus prevented it from receiving a vote, often in the face of significant pressure, including sometimes from close colleagues. WFA thanks those legislators who stood for what was right this past session behind the scenes, preventing harmful bills from moving forward.

The Scorecard is available online at wifamilyaction.org.

2023-2024 Wisconsin State Senate Scorecard

"+" Indicates legislator voted **in agreement with** WFA's position on the bill.

"-" Indicates legislator voted **against** WFA's position on the bill.

"N/A" = This vote does not apply to this legislator.

"NV" = The legislator did not participate in this vote.

*Sen. Knodl was elected to the 8th Senate District in a special election. He was sworn in on May 3, 2023.

**Sen. Taylor served for a partial term ending on January 26, 2024, as she was appointed to the Milwaukee circuit court by Gov. Evers.

2023-2024 Wisconsin State Assembly Scorecard

"+" - Indicates legislator voted **in agreement with** WFA's position on the bill.

"-" - Indicates legislator voted **against** WFA's position on the bill.

"N/A" - This vote does not apply to this legislator.

"NV" - The legislator did not participate in this vote.

"PY" - Indicates the legislator paired a yes vote on the bill.

"PN" - Indicates the legislator paired a no vote on the bill.

"EX-" - On AB 975, a bill WFA opposed, all Democrats voted NO, which is WFA's position. However, their reason for voting no was vastly different from WFA's reason for opposing. They voted NO because the bill restricted abortion, and they want no restrictions on this life-taking procedure. Therefore, we make this bill an EXCEPTION (hence the "EX-" notation) and score their votes in this very unusual instance **as being in opposition to** WFA's position on the bill.

WFA Legislative Vote Record
Explanation of Bills Scored
2023-2024 Legislative Session

(Bills are listed in the order in which they appear starting with the Senate scorecard and then the Assembly scorecard.)

SB 343 – Regarding the definition of abortion.

Senate Bill 343 clarifies the definition of abortion by clearly stating that an abortion does not include a physician's performance of a medical procedure intended to prevent the death of a pregnant woman and not designed or intended to kill the unborn child. Medical procedure examples include an emergency C-section, removal of miscarriage, ectopic, molar, or anembryonic pregnancies. **Passed in Senate. No further action.**

WFA Position: **Supported**

Scoring: **Senate – Floor vote** **Assembly – No action**

SB 344 – Designating an unborn child as a dependent for income tax purposes.

Senate Bill 344 provides that for purposes of claiming an income tax exemption, the term “dependent” includes an unborn child, beginning in the taxable year in which a person who is qualified to perform an ultrasound detects a fetal heartbeat in the unborn child. **Passed in Senate. No further action.**

WFA Position: **Supported**

Scoring: **Senate – Floor vote** **Assembly – No action**

SB 346 - Providing a grant program for financial assistance for adoption.

Senate Bill 346 requires the Department of Children and Families to administer a competitive grant program to assist prospective adoptive families. It would appropriate \$5,000,000 in the 2023-2025 biennium to be available to Wisconsin families that adopt a child from Wisconsin. **Passed in Senate. No further action.**

WFA Position: **Supported**

Scoring: **Senate – Floor vote** **Assembly – No action**

SJR 54 – Regarding the freedom to gather in places of worship during a state of emergency.

Senate Joint Resolution 54 would amend the state constitution to provide that the state or a political subdivision of the state may not order the closure of or forbid gatherings in places of worship in response to a state of emergency at the national, state, or local level, including an emergency related to public health. This is the first consideration. It would need to be passed next legislative session, then go to a statewide ballot. **Passed in Senate & Assembly.**

WFA Position: **Supported**

Scoring: **Senate – Floor vote** **Assembly – Floor vote**

AB 377 – Designating athletic sports and teams operated by public K-12 and private choice schools based on the sex of the participants.

Assembly Bill 377 would prohibit biological males from competing against biological females in any organized sports or athletic competition. It would provide for designating teams as 1) male, 2) female, or 3) male and female. **Passed in Senate and Assembly. Governor vetoed.**

WFA Position: **Supported**

Scoring: **Senate – Floor vote** **Assembly – Floor vote**

AB 465 – Prohibits gender transition medical intervention for individuals under 18 years of age.

Assembly Bill 465 would prohibit health care providers from performing any surgical, hormonal, or cross-sex drug intervention on minors for the purpose of trying to “change” the minor’s biological sex.

Passed in Senate and Assembly. Governor vetoed.

WFA Position: **Supported**

Scoring: **Senate – Floor vote** **Assembly – Floor vote**

AB 510 – Protects parental rights.

Assembly Bill 510 establishes a legal standard for state infringement on fundamental rights of parents. It explicitly establishes and reserves sixteen (16) rights parents have without interference from the state.

Passed in Senate and Assembly. Governor vetoed.

WFA Position: *Supported*

Scoring: *Senate – Floor vote Assembly – Floor vote*

AB 176/SB 211 – Permitting pharmacists to prescribe certain contraceptives.

Assembly Bill 176/Senate Bill 211 would permit a pharmacist to prescribe and dispense hormonal contraceptive patches and self-administered oral hormonal contraceptives, subject to certain limitations. **Passed in Assembly.**

Passed in Senate committee. No further action.

WFA Position: *Opposed*

Scoring: *Senate – Author/Co-sponsor or Committee vote Assembly – Floor vote*

AB 291/SB 288 – Relating to the waiting period for marriage after a divorce judgment.

Assembly Bill 291/Senate Bill 288 bill would eliminate the current six-month waiting period after a divorce before either person involved in the divorce can legally remarry. **Passed in Senate Committee and Assembly**

Committee. No further action.

AB 975/SB1011 – Regarding abortion if an unborn child is 14 weeks (post-fertilization) or older.

Assembly Bill 975/Senate Bill 1011 would prohibit any person from performing, inducing, or attempting to perform or induce an abortion if the probable postfertilization age of the unborn child is 14 or more weeks, except in the case of a medical emergency. If passed, and signed by the governor, the bill would then have to go to the voters on a statewide referendum and pass before it became law. As amended, the bill would also allow abortions for cases of rape or incest with no time-period limitation, *i.e.* up until birth.

Passed in Assembly. No further action.
