ADVENTUROUS MUSIC
SUBMISSION GUIDELINES

About Adventurous Music

Adventurous Music is a Leipzig-based, internationally operating independent label, artist network, and the publisher of EX! Magazine. Dedicated to the fringes of experimental music, art and literature, we thrive on collaboration, collective creation and tangible multi-format releases. Driven by sustainability, all of our physical print products – from books and journals to postcards – are exclusively eco-friendly. We are seeking original, human-made creations that challenge the norm.

Submit Your Work

If you would like to submit your work, please send it only when you have all things together.

For a release, we would need the following from you:

- a small text for a press info, including some info about the album and you as an artist. Also a link to a website, Bandcamp page, and/or social media account that you prefer.
- a decision about the price of your album or the "pay what you want"-option
- a non-generic picture for the cover art without any text in the size of 9 cm (height) x 10 cm (width) and in a solution of at least 300 dpi (but we can also provide a cover art) please have in mind that your image will be integrated in our general layout for digital releases
- all tracks as a .wav-file or .aif-file ready to be released (each file no bigger than 600MB)
- credits of all involved artists (incl. cover art, the use of AI, etc.)
- artist names, album title and track titles and order in the way you would like to see them published
- if you prefer to have a contract, I would also need your full name, date of birth, and your postal address

Also, you have three options to choose from regarding the possible proceeds from your album:

1) we share all proceeds (70% for you and 30% for AM)
2) we donate your part of the proceeds (70%) to a German charity organisation
3) you can donate all proceeds to AM to help cover the costs of running the label

All proceeds will be paid out at the beginning of December each year.

Mastering

Please send your audio files ready to be released. If you need mastering for your tracks we can provide an in-house mastering for 3,00 Euro per audio minute.

Physical Products

We do release books and postcard sets in small editions. We do not release CDs, vinyls and cassettes. For a physical release, please also send your visual work that is thematically in line with your overall project.

Streaming Services

We do not support any streaming services, such as Spotify, YouTube, Apple Music, and so on. If you would like to have your music on these platforms, you can add them yourself.

You can send all things to info@adventurousmusic.com
