NATURAL *feathers*

COLLECTION

Composed of natural feathers combined in various mesmerizing patterns of bowing waves, natural stripes and diamond crisscross, KOKET's feathers are available by the panel or as a finish on numerous furniture designs. Applied to cabinet doors and table tops, the stunning KOKET feathers add sass and exotic allure to iconic KOKET designs.

EXOTIC *leathers*

COLLECTION

If you are looking to create a sexy bold statement in interior design then our exotic leathers are a must! Or perhaps a supple solid leather for a sophisticated chic look is what you are after? KOKET scoured the world in search of the highest quality and remarkably beautiful natural leathers for their Exotic Opulence collection. In 2019, the brand will be introducing 7 new bold natural leathers in spectacular metallic and animal inspired patterns and dazzling golds, coppers, bronzes and silvers.

**All the designs are available in 7 x 7 (cm) / 2,75 x 7,75 (in) samples*

OPULENT *velvets*

COLLECTION

The velvet trend continues to reign in the interior design world. Calling it a trend doesn't even really seem accurate as this sumptuous, super soft, and endlessly versatile textile is undeniably classic and has no need to ever go out of style. KOKET loves velvet's noble presence and ability to translate from minimalist to maximalist design by simply changing the materials finish or color.

Thus the brand is introducing 3 new velvet patterns available in almost 50 colorways combined. The new Smooth Velvet, a Lush solid, and Cloud Velvet, a sophisticated geometric matelassé, are both water repellent and stain resistant velvets available in a timely array of earth and jewel tones.

While the Smooth and Cloud Velvets bring sensible and classic choices to the Exotic Opulence collection, the third velvet introduction, Interaction, is a glamorous take on crushed velvet.

**All the designs are available in 15 x 10 (cm) / 5,90 x 3,93 (in) samples*
