GIULIO GENNARI STUDIO

PHOTOGRAPHY · VIDEO · COMMUNICATION

Giulio Gennari Studio is made up of a team of specialists who bring together photography, television, advertising and journalism in a well-established creative approach, built on more than thirty years of experience, innovation and organisation.

We use the latest, state-of-the-art equipment to produce professional photography and video content. Our studio offers a comprehensive range of services, including weddings, fashion and glamour photography, still life, corporate advertising, videomaking and much more.

Passion, quality, uniqueness, reliability, trust and teamwork are the cornerstones of everything we do.
