

FREE TRANSIT FOR CALIFORNIA STATE WORKERS

Ride SacRT at No Cost

Why Give Transit a Try?

- Free for state workers, save on gas and vehicle upkeep
- Better for the environment, reduce your carbon footprint
- Less traffic, less stress!
- Don't pay for parking!
- More "you" time to read, relax, or catch up on podcasts while you ride

How to Access Your Free Transit Pass

If your department has a Transportation Coordinator:
Reach out to them directly—they'll get you signed up.

If your department does not have a Transportation Coordinator:
Simply purchase your transit pass using a Connect Card or the Transit Connect app, then request full reimbursement from your department. Your commute becomes completely free.

Important Update
Connect Card users, including state workers, will transition to Transit Connect during Phase 2 in fall 2026. More details coming soon!
