Texas Coalition of Lighting Representatives

Bringing you quality lighting products, consistent levels of superior service and project management across the state of Texas.

You can count on your AcuityBrands Lighting Agencies.

Together, we proudly serve the entire state of Texas with unmatched support and lighting expertise. Our rep coalition is comprised of the four Acuity lighting agencies in Texas, united by a shared commitment to building strong relationships and delivering exceptional service. We support architects, engineers, lighting designers, general contractors, electrical contractors, and distributors across the entire state of Texas — ensuring every project shines with excellence.

The TCLR Commitment

Regardless of the project's location, design team, or contractors involved, we stand committed to maximizing collaboration across our shared manufacturers and agency services. At the heart of the TCLR Commitment is teamwork—driving consistent, high-quality support throughout every phase of a project.

Services include:

- Expert fixture selection
- Comprehensive lighting controls design
- Detailed photometric analysis and renderings
- Pre-bid budgetary guidance

We ensure seamless project management coordination, delivering accuracy and on-time performance. By aligning fixture selections with the owner's budget, we deliver exceptional value to our shared customers across Texas.
