Program Overview

VSE Aviation has entered an agreement with Pratt & Whitney Canada (P&WC) to provide new engine line maintenance spare parts and engine accessory exchange support to P&WC engine operators, customers and maintenance providers located throughout the United States, Asia Pacific and EMEA regions. This program expands P&WC's spare parts distribution network in response to increasing customer demand for regional availability and speed of delivery.

- 15-year licensed distribution and exchange agreement
- ~6,000 flight critical spare parts and components of P&WC's PT6, PW100, PW200, PW300 & PW500 series engines
- Supports over 20 fixed wing and rotorcraft OEM platforms
- New and exchange parts for line maintenance
- 24/7 AOG support
- Regional support shipping out of Miami, FL (Eastern); Independence, KS (Central); Phoenix, AZ (Western); Sydney, Australia (APAC); Singapore (APAC); Hamburg, Germany (EMEA)
- Core repair management
- KPIs and metrics reporting
