

Each year the Wichita Chamber tracks the votes of the South Central Kansas Legislative Delegation members on key issues from our legislative agenda. These critical issues include workforce, taxation, economic development, healthcare, transportation, and the regulatory environment. We appreciate the legislators who support our pro-business agenda and help us create a better business environment that promotes investment, innovation, and job creation. The Wichita Regional Chamber PAC uses this scorecard each year to inform deliberations regarding endorsements for candidates running for the Kansas Legislature.
