ST. GEORGE.

The perfect place to live, work and play.

As Mayor of St. George—"the other Palm Springs" and one of the fastest growing cities in the West—it is a pleasure to welcome you to the Lions Dixie Roundup and to offer you the hospitality that the citizens of Utah's Dixie have always extended to visitors to our city.

Karl F. Brooks

Few cities can boast the beauty, variety and stability that St. George can. Here is a city surrounded by breathtaking scenery, nestled in a temperate climate and anchored to a proud heritage. St. George means different things to different people. To the businessman, it's a moving, thriving city. To the retired person, it's a tranquil, scenic haven. To the tourist, it's a colorful, enjoyable and warm destination. And to the resident...It's just a great place to live.

LEWIS BOWLER
Lion President

The 1991 Rodeo President and Committee would like to welcome everyone to the 57th Annual St. George Lions' Dixie Roundup. We are proud of this year's show and proud to continue the tradition of the rodeo committees before us.

Again this year the Roundup is a PRCA-sanctioned rodeo. What this means, to both the casual and serious rodeo fan, is that this year's Roundup will again draw some of the best cowboy-athletes and animal-athletes in the country. To insure this happening, the Lions have added over \$9,000 to the cowboy's prize money and we have signed bullfighters, rodeo clowns, and a specialty act which we are convinced that you will all enjoy.

It would be impossible for the Lions to present the Roundup without the cooperation of our partner in the Sun Bowl, the City of St. George. Our thanks to the many department heads and city employees who have again helped the Lions to make the Roundup possible.

The Roundup and what it takes to make it happen is a big part of what is called the Spirit of Dixie. Another part of this "spirit" is the many hours of work the members of the St. George Lions and Lady Lions have donated preparing for the 57th Roundup and the hours of work they will donate to bring it to a success.

This year's Rodeo Committee wishes to thank all those involved in making Roundup '91 a great success and ask you to join us now in enjoying the show.

JULIE LARSEN *1991 Dixie Roundup Queen*

The feeling I experienced on May 9, 1991, at the sunbowl will be one I'll never forget. It's hard to put into words what it feels like to finally accomplish something you've worked for years to attain. The first time I raced around the arena as the Dixie roundup queen was exhilarating. I will never forget the surge of love and happiness I felt as friends and family met on the grass to congratulate me and share in my joy.

So far my reign has been anything but uneventful. First Natalie and I proudly represented the Dixie roundup at the Buck-A-Thon, all of my heroes were there like Ty Murray, Lewis Field. We then went on to represent the roundup at Lehi, Gunlock, Nephi, Salt Lake Day's of '47, Ogden Pioneer Days, Enterprise and Veyo.

Representing the Lions at the Miss rodeo Utah pageant was a thrill, I made friendships during those five days that will last a lifetime. Being awarded Miss Congeniality was the high point of my week.

My parents Grant and Linda Larsen of St. George, have sacrificed so much for me to achieve my goals, thank you mom and dad. My whole family has been so supportive.

RODEO ANNOUNCER

"Zeb Bell"

RODEO PRODUCERS

Bud & D.A. "Swanny" Kerby

The Bar T Down Rodeo Company is made up of two families—Swanny and his wife, Verda, and their son, Bud Kerby and wife, Evelyn. Bud Kerby began his rodeo career when he was 15 years old as a calf roper and became a top saddle bronc rider on the rodeo circuit. Bud is now one of the best pickup men in the rodeo business today. His greatest challenge in the business is to see that his horses give audiences the thrilling performances they've come to expect from Bar T Down stock.

Verda, the former rodeo secretary, is the business manager, and Evelyn is the rodeo secretary for all cowboy entry fees, working directly with the Professional Rodeo Cowboys Association in Colorado Springs, Colorado.

The Bar T Down's string of bucking stock consists of 150 horses, 80 bulls, 25 pickup/flag horses, 80 steers, and 60 roping calves. Swanny and Bud travel thousands of miles each year to add the toughest bucking stock.

As Swanny himself states, "It takes a lot of equipment, stock, personnel and hard work to put on a professional rodeo, but we don't lack anything that it takes to put on the best rodeo in the world." The million miles traveled and thousands of rodeos Kerbys have produced haven't dimmed their enthusiasm to put on the very best, most exciting rodeo possible.

LISA POESE 1991 Miss Rodeo America

Representing rodeo before television and radio audiences across the country won't be a problem for Lisa Poese, Miss Rodeo America 1991. This blonde beauty from Gordon, Neb., is as comfortable in front of the microphone or camera as she is on the back of an American quarter horse.

Poese gained on-air experience as a television reporter with KDUH-TV in Scottsbluff, Neb., before competing for the Miss Rodeo America crown. As a college student at Chadron State College in Chadron, Neb., Poese studied communications and mass media. As a teenager, she worked behind the scenes at her parents' three Nebraska radio stations.

However, television and radio interviews will be just a part of her many responsibilities throughout 1991. As Miss Rodeo America, Poese will travel to more than 100 rodeos and numerous special events.

"My goal is to encourage as many people as I can to have some association with rodeo—to get them to participate or be a fan, to make it more popular," she said.

Poese captured top honors in the horsemanship category of the Miss Rodeo America competition, and she also took first place in the pageant's personality category.

Poese represented her native state as Miss Rodeo Nebraska before winning the Miss Rodeo America title.

Ty Murray, though barely out of his teens, is already traveling with some pretty impressive company. The 20 year old, the youngest ever to earn the title of world Champion all-around cowboy, is already being mentioned with rodeo legends.

Murray's phenomenal success as a PRCA cowboy follows a childhood dedicated to developing his skills at both ends of the arena. Murray claimed the 1988 Resistol rookie of the year award at just 19.

SAN ANTONIO, FLORIDA

1989 WORLD

CALF ROPING CHAMPION

\$89,301

Self-promotion isn't Rabe Rabon's strong suit, so it came as surprise to many when this San Antonio, Fla., cowboy claimed the title of 1989 world champion calf roper. But those who had studied Rabon's career knew the title was in the cards. Rabon holds the arena record for the fastest calf roping time at a National Finals Rodeo, a blistering 7.5-second run he made at his first Finals in 1986. In 1987, Rabon finished ninth in the world calf roping standings following his second NFR.

Dubbed "Marvelous" Marvin at the 1988 National Finals Rodeo, this youthful bareback rider from Belle Fourche, successfully defended his world champion bareback title in a hard-fought, 10-round battle at the '89 Finals in Las Vegas. Garrett's wildness ends at the arena fence. A quiet and soft-spoken man, he enjoys time with his wife, Lisa, and their two children, Weston and Cathy. When asked what he'll do with his two gold buckles, Garrett replied, "My wife's probably going to put one on."

RODEO CLOWNS

"The protector of cowboy, the entertainer of the crowd," so said a well-known sports commentator. He was referring, of course, to the rodeo clown. Rodeo clowns come in all shapes and sizes and all have to be top-notch athletes in peak physical condition. They have to be agile, quick, fearless, have the memory of a computer and an encyclopedia knowledge of bulls.

In Memory of
"TANK"
EARL THOMPSON

January 26, 1936 - August 20, 1991

Tank will be remembered for his love of life, family, friends and his ability to have a good time. He spent countless volunteer hours for the good of his community. Tank was a 30 year member of the St. George Lions Club. He loved the Dixie Round-up and everything associated with rodeo. he was the Dixie round-up Chairman (1980-81) and as always the Lion's knew they could count on him to have a great rodeo. Tank probably put some time in on every committee and project the Lions have been involved in since he became a member. He served as Dixie Downs Race Track Chairman (1987-88). Tank loved Pine Valley and instigated the first annual Lions ride over the mountain.

Tank hosted an era that began with his football days, continued through his work and civic activities and will carry on through his family and friends for a long time to come. He had a million dollar personality and a sense of humor to match. Tank had many friends through all walks of life and he will be sorely missed.
