It is indeed a pleasure for me as Mayor of the City of St. George to welcome you to the Sunbowl for the St. George Lions' annual Dixie Roundup! For those of you who are visiting our City for the first time, I hope you will have the opportunity to mingle with our friendly citizens and partake of the many recreational opportunities St. George has to offer. We also have many fine restaurants, first-rate shopping, and there are numerous nearby state and National Parks to hike and explore.

St. George is proud of its pioneer heritage, and its legacy of volunteerism and community spirit. The Lions Club has played a vital role in this legacy, and I would like to thank them for their involvement in our community and for the many charitable and social events which they sponsor for the betterment of our City.

Again, welcome to Utah's Dixie and enjoy the show.

DANIEL D. McARTHUR

Thank you to all contributors and those in attendance. Thanks to all Lions Club members and the Lady Lions who worked so hard for this event.

Sit back, relax and enjoy this year's Lions Dixie Roundup!

Grand Marshall

BERT STAHELI

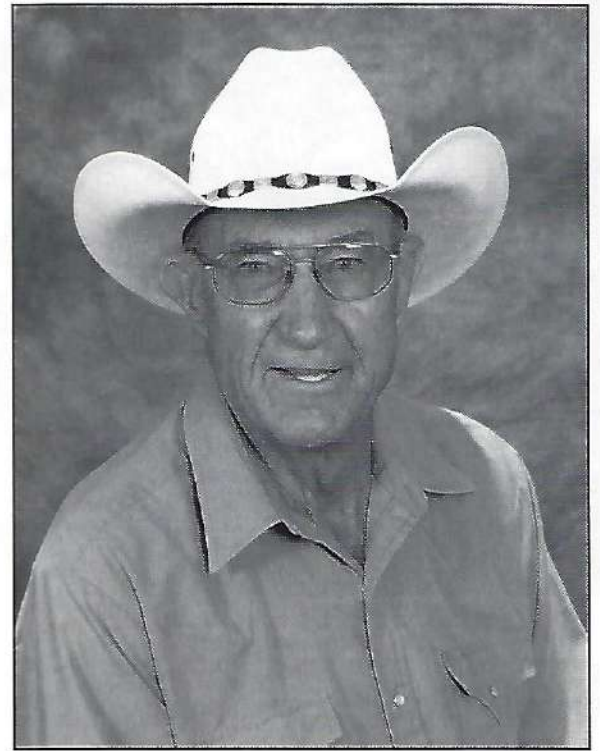

Bert feels very honored to be chosen the Grand Marshall of the Lions Dixie Roundup this year. Bert was born in Enterprise 82 years ago; he was the fifth of eleven children. Bert met the love of his life, Roma, when he was seventeen, at the Veyo Pool, and has danced to her tune ever since. They have five children: Andrea (Mike Miller), the late Randy Bert, Debra (Rick Bracken), Tamara (Randy Holyoak), Neica (Bryce Christensen).

Bert's first experience with the Dixie Roundup was at the first rodeo held in the new Sun Bowl in 1947. Bert and his wife were sitting in the northeast corner. During the bull riding, a bull came over the cement wall right where they were sitting, scattering people in every direction, including Bert. Of course, his story was he was leading the bull away from his pregnant wife. Fortunately, no one was hurt. Bert and Roma have attended every Dixie Roundup for the last 64 years. For many years, Bert camped at the Lions Club for days to battle for the best seats.

Growing up in a family that loved good horses, rodeo has always been a big part of his life. Bert was a team roper for many years, not the best, but often placed in the money. His love of horses was passed on to his daughters, who were excellent horsewomen. Two of his daughters were Dixie Roundup royalty. Bert helped for years with high school rodeo, in which his girls were involved. He traveled many, many miles helping kids get to the rodeos. He was always hauling somebody else's horse besides his own. He was the first over the fence if a cowboy got hurt and frequently hauled kids to the hospital or took them home if needed. Bert has always been the first to show up to help anyone in need. Bert was also involved with the Washington County Barrel Racing Association for years, setting up barrels and timers. He was chosen as an Honorary Member in 1977 for all his service to the organization.

Playing his guitar, singing and entertaining people have been a big part of his life for over seventy years. He never had a music lesson; playing the guitar came naturally and he was blessed with a beautiful singing voice. His first experience with singing and playing his guitar was in a school assembly when he was 12 years old. He has been entertaining people ever since. Bert was a member of a country band for many years. He has sung in over 200 funerals, played and sung in many weddings, parties, and different occasions, too many to count. Bert has spent hours entertaining in rest homes or care centers, trying to bring a little happiness into the lives of the residents there. Bert enjoys his musical ability very much and hopes he can continue using his talents to bring joy to people's lives.

Bert, at 82 years old, still loves horseback riding, camping, dutch oven cooking, deer hunting, spending time with his family and friends. Bert loves the red sand of Dixie and has made it his home for 44 years.

Miss Rodeo Utah 2011

JAMIE UDELL

Our own Lions Dixie Roundup Rodeo Queen (2008), Jamie Udell, has brought the gold crown and title of "Miss Rodeo Utah" home to Southern Utah!!

Jamie is presently a Senior at Dixie State College pursuing two full bachelor degrees, one in Communications and the other in Biology. Once she finishes both of those degrees, she plans to go on to Dental School, heading towards her goal of becoming a Pediatric Dentist specializing in cranial facial issues. Jamie is also currently an Emergency Medical Technician (EMT-Intermediate), as well as a certified CPR/BLS Instructor.

Service to others is also where Jamie claims being a Rodeo Queen comes in. "It isn't all horse skill and rodeo knowledge, a major percentage of being the Queen is about having a caring heart. My parents taught me that God put us on this earth to be of service to others. That is a huge reason of why I am extremely honored to be Miss Rodeo Utah 2011. Being part of the rodeo family is so much about the value of helping others."

Jamie considers herself blessed to be able to do a ton of volunteering in the community, which is something that she truly enjoys. A few years ago she partnered with her parents to start "Hope Springs", an all volunteer charity organization in which they use miniature horses to provide service to kids with disabilities. So far they have gifted 46 ponies to such children. Jamie says the secondary focus with their ponies is the community efforts that they are able to do with them. They take the ponies into schools, nursing homes, assisted living programs, and they host countless classes of school kids to their place on field trips. She says that "Hope Springs" is by far her biggest accomplishment and also what fills her with the greatest joy.

Jamie and her family live in a cabin in Pine Valley. Her other passions include reining, camping, going to rodeos, teaching children how to drive pony-drawn carts, and going to movies and stage productions with her family.

As Miss Rodeo Utah, Jamie will be in Las Vegas December 3-10, representing Utah in the "Miss Rodeo America" pageant. That contest runs in conjunction with the Wrangler National Finals Rodeo.

Jamie Udell

STEPHANIE JIMERSON

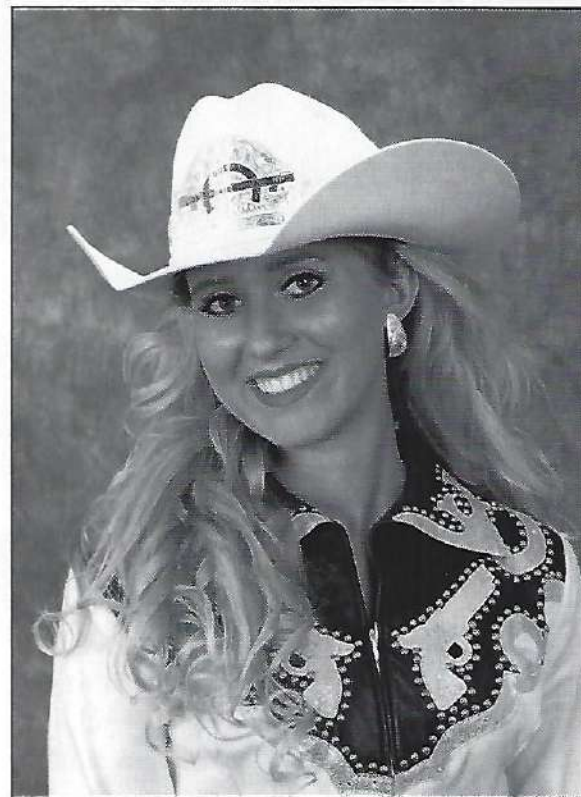

Stephanie is the daughter of John and Sandy Jimerson of New Harmony, Utah. She is currently attending Southern Utah University, pursuing a Bachelor's degree in science, majoring in nursing. She intends to become a Life Flight nurse. Stephanie graduated from Cedar City High School, where she was a member of the High School Rodeo Team, and was an active member in FFA, where she judged horses and served as a club officer. She was the 2006 Iron County Rodeo Princess, as well as the 2008 Great American Stampede Rodeo Princess. Stephanie is a country girl born and raised, who loves the outdoors, including hunting, fishing, camping, and riding/training horses. She also enjoys a good tennis match, loves rocking out to country on her pink guitar, and is crazy about rodeo. Whether she is competing or cheering on the cowboys and cowgirls in the stands, you can count her in! Currently, she is working as a certified nursing assistant/phlebotomist, trains horses, as well as working as a volunteer firefighter. She is also a member of the National Student Nurses' Association and competes in barrel racing, breakaway roping, and goat tying.

Florence Nightengale once said, "Health is not only to be well ... but to use well every power we have." My greatest power is helping others by serving as an ambassador of the professional sport of rodeo and I am thrilled for the opportunity. It has been such an honor, privilege, and an absolute dream come true becoming the 77th Annual Lions Dixie Roundup Rodeo Queen! There are so many amazing people that I would like to thank for making my dreams come true, because without them none of this would be possible. First and foremost, I would like to thank our awesome St. George Lions Club, especially Steve Sevy, Wayne Hoppal, Darren Coughlin, and Scott Benson, for everything they have done for me, this community, and the sport of rodeo by working hard to promote this great sport and serve others as an outcome. Next, I would like to thank Mark Breinholt at Colorland Photo for taking picture-perfect photos of me and my horse! I would also like to thank Tara Coughlin for putting on another great contest and for being so helpful, friendly, and willing to answer all of my questions. Thank you Boyd Roundy, for

all of the great advice and help you have given me. I have learned so much from you and I will never forget it. You truly are the best horseman I have ever known! Natalie and Chad Drake, thank you for all of your help and queening knowledge you have shared with me. Mikayla, I couldn't have picked a better Princess to share the year with than you. I have made so many fun memories with you throughout this year, representing the Dixie Roundup, which I will cherish forever. Thanks for being such a good Princess and friend. I would like to thank my fan club for cheering me on the whole way: Mom, Dad, Jessie, Jonny, Kinzie, Kayla, Saiydee, Saiyza, Aunt Deleen, Aunt Lorie, Uncle Jim, J.J., Logan, Aubrey, Maddie, Aunt Tam, Dee and everyone who has believed in me. Dad, thank you for all your hard work and the sacrifices you have made for this family. I would not be here without you! Mom, you have always been my best friend and biggest fan! You are the key to my success, and I owe it all to you. Thank you for always making me look pretty, even if you didn't have time to get ready yourself. Jessie, my other half, thank you for your hand-me-downs, expert queening tips, and help with everything. Jonny, thanks for being my hired hand, hauling me to all the rodeos, and always making sure my horse looks like a million bucks! Kinzie, Kayla, and Saiydee, thank you for all your support; you will all be AMAZING Rodeo Queens!

Good luck to all of you cowboys and cowgirls and remember to use well every power you have! Always reach for the stars and never back down from your dreams!

Welcome to the 77th Annual Lions Dixie Roundup rodeo fans! We have a tradition here in Dixie of putting on a great rodeo, so be prepared to be "WOWED!" Enjoy the rodeo!

2011 Dixie Roundup Princess

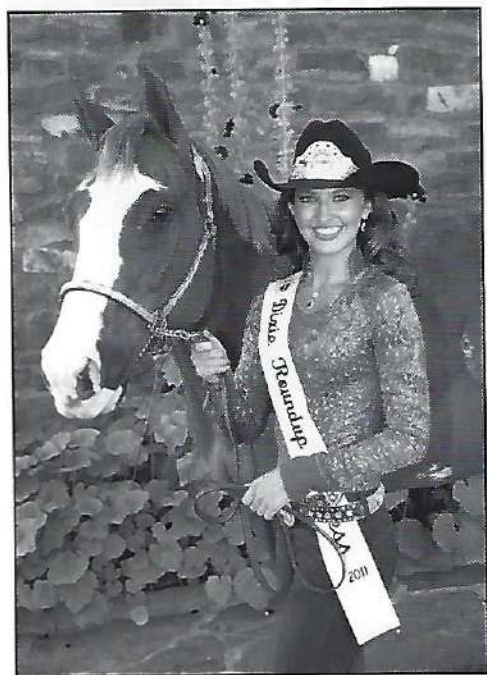

MIKAYLA MILLER

Mikayla is the 15 year old daughter of Kendall and Dana Miller of St. George. Mikayla has been attending the Lion's Dixie Roundup since she was a little girl and has always dreamed of becoming their princess. She just started school as a sophomore at Snow Canyon High School. She is also excited to start High School Rodeo this year. She has participated in the 4-H Horse program for several years, winning many awards and also representing Washington county at region and state levels. This last year she won reserved champion overall in the judged events at the state level. She participates in the Color Country Equestrian Club Open shows and is involved in the Washington County Barrel Racing Association. She barrel races, pole bends, goat ties, and competitively shows horses. She loves to work with and train her horses for all the events she competes in. She has shown lambs in the Dixie Jr. Livestock Show and has won many blue ribbons from her accomplishments. Of all the many activities she has participated in this past year, reigning as the Lion's Dixie Roundup Princess has been the highlight of it all.

"Being the Lion's Dixie Roundup Princess has been a dream come true; however, there is no way I could have ever accomplished my goals without the love and support of my parents and grandparents and of all the help of the Rodeo Committee. Thank you, Natalie Drake for all your help and support through everything, and all the encouragement you gave and all the smiles and laughs and of the friendship we shared through the competition. Thanks for staying up all those extra nights to work with me and put so much extra effort into everything! I also want to thank Mckinley Drake for all her extra help and always being there for me. Also thanks to Cydney Bracken for all the extra time spent in coaching me! Then a huge thanks to my

mom, Dana Miller for staying up so many late nights to get my shirts made and to my parents for constantly hauling my horse everywhere. I also want to say thanks to my grandparents for getting me started in the horse business and supporting me throughout it all. Thanks to Mark at Colorland Photo for all his time and effort in getting "the perfect picture," and to the Lion's for all their hard work and tradition of the Roundup. Without them, I wouldn't have had the amazing opportunity to fulfill my dream of becoming the princess.

"I have such amazing parents, family and friends. They were always there to cheer me on while I was out promoting the rodeo. To my Queen, Stephanie, thank you for being the fun-loving person that you are and for always being there when I need a laugh. It has been so much fun getting to know you and being by your side this summer throughout all the rodeos and parades. Thanks to everyone who has been there for me throughout it all! I just want to say 'Good Luck' to all the contestants, and enjoy the 77th annual Lion's Dixie Roundup!"

BUD KERBY

To leave behind the simple tribute of "A Man of His Word" speaks volumes about the man who leaves it as a tribute to the way he lived his life and the man that he was. That tribute says he was strong of character and simple of word. It speaks of his honesty, his determination, his commitment, his loyalty, his dedication, his love and his courage. It speaks a little and says a lot. It speaks of Bud Kerby.

Rex A. "Bud" Kerby was born June 10, 1940 in Moab, Utah to Verda May Burdick and D.A. "Swanny" Kerby. He worked with his dad from an early age and grew up as a rodeo man. His entire life he took care of livestock and shared the love of animals. Bud competed in the sport of rodeo as a Saddle Bronc Rider and worked as a pick up man for many years. He was one of the best in rodeo during his years as a pick up man. He married his sweetheart Evelyn Mullins on June 21, 1961 in Elko, Nevada. They worked in the operation of the Bar T Rodeo Company for many years eventually purchasing the more than 50 year old company based in Salt Lake City and Chester, Utah from his parents.

For the past several years, Bar T Rodeo has specialized in a bucking-horse breeding program that has produced a number of Wrangler National Finals Rodeo bucking horses, including Deception, High & Mighty and Reception. Four of their bareback horses, six saddle broncs and one bucking bull were selected for the 2009 Wrangler National Finals Rodeo. Bar T Rodeo received the PRCA's Remuda Award in 2006 for providing the best, most consistent pen of bucking horses in the sport, creating the best opportunities for contestants to score well. The company produces nearly 50 performances each year and leases stock to many of the large rodeos, including Denver, San Antonio, Houston, Laughlin, Nevada, Nampa, Idaho and Ogden, Utah. His wife Evelyn still runs the company that is bringing you the rodeo here at the Roundup.

Bud first fell ill shortly after the completion of the rodeo in St. George in September of 2010. He was diagnosed with an aggressive form of leukemia a week later. He passed away on October 10, 2010 at LDS Hospital with his family around him.

Bud Kerby and the Bar T Rodeo Company will be forever tied to the Roundup by fond memories of good times and great rodeos. The St. George Lions Club will never forget that simply, but strongly put, Bud Kerby truly was, "A Man of His Word".

The Kerby Legacy

Bar T Down Rodeos began in 1945 when D. A. "Swanny" Kerby supplied the Moab with stock "because there was no one else in that kind of business." Because bucking stock was scarce in the Four Corners area, he rounded up wild mustangs and shipped in the first Brahma bulls to the Canyonlands area. Rank and tough bulls became Swanny Kerby's specialty.

The Bar T Rodeo, Inc (renamed in 1989) has furnished stock for rodeos throughout the United States from California to Virginia. The company was made up of two families; Swanny and his wife Verda, and their son Bud and his wife Evelyn. Bud Kerby began his rodeo career when he was 15 years old as a calf roper and became a top saddle bronc rider on the rodeo circuit. He bought out his parent's business in 1995. He is now one of the best pickup men in the rodeo business. His greatest challenge in the business is to see that his stock give audiences the thrilling performances they've come to expect from the Bar T stock. His bulls and bucking horses have won many awards at the NFR over the years. The Bar T Rodeo Company has been coming to the St. George Lion's Dixie Roundup for years, as well as participating in many other of the top PRCA rodeos.

REED FLAKE

Reed Flake joined the PRCA in 1992 and has been the voice of rodeos across America ever since. Reed makes his home in Snowflake, AZ with his wife Amy and their children Skyler, Kyle, and Rebecca. He crisscrosses

the country entertaining crowds and keeping fans in touch with rodeo action. Reed participates in many ventures surrounding this sport that he truly loves. He is an avid team roper and enjoys ranching.

This is Reed's first year joining us here at the Dixie Roundup. He is looking forward to helping Dixie carry on it's fine rodeo tradition.

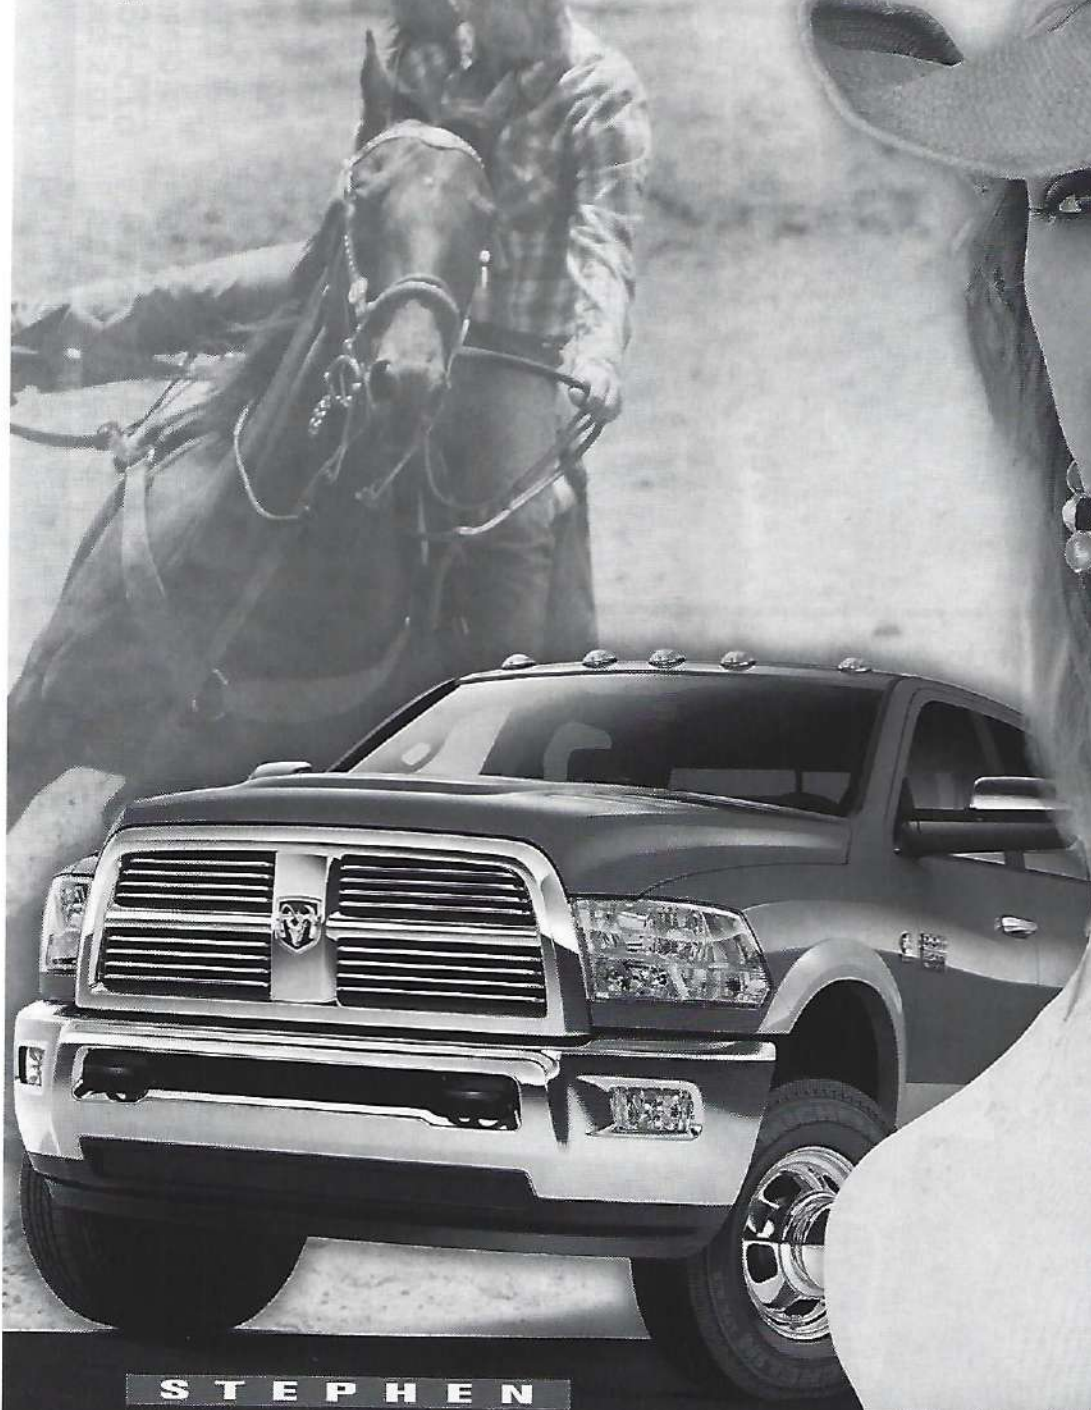

RANDEE MUNNS

Randee Munns has been a bullfighter and clown for many years and has worked rodeos throughout the United States. He is from Garland, Utah, where he has a ranch and horse training operation. He is also a brand inspector for the state of Utah. Randee has brought unique comedy acts to the Lions Roundup, along with his expertise as a bull fighter, for many years. There are basically two types

of clowns; the bull fighter and the barrelman. They both have serious jobs to do with a little flair of comedy thrown in. The barrelman uses himself and his barrel as a diversionary obstacle. He hauls a heavy battered reinforced metal barrel around, and folds himself inside like an accordion. Once inside the barrel, he awaits the blows of the irate bull and sometimes receives the unwelcome horn or hoof inside with him. Randee excels at both disciplines, and shares his unique sense of humor and comedy with rodeo fans throughout the country. He has been a staple at the Dixie Roundup for many years and is a crowd favorite.
