Welcome Rodeo Fans!

TO THE 79TH LIONS DIXIE ROUNDUP

RODEO COMMITTEE FOR 2013

The 2013 St. George Lions Rodeo Committee would like to thank you for attending this 79th annual Dixie Roundup Rodeo. We pride ourselves on our GREAT Bar T rodeo stock, Clowns, Bull Fighters and PRCA contestants. The St. George Lions Club and the St. George Community thank you for supporting our fund raiser. Remember, all of your support money goes back into your community.

**Please Support Our Sponsors
and have a great time at the RODEO!**

It is indeed a pleasure for me as Mayor of the City of St. George to welcome you to the Sunbowl for the St. George Lions' annual Dixie Roundup! For those of you who are visiting our City for the first time, I hope you will have the opportunity to mingle with our friendly citizens and partake of the many recreational opportunities St. George has to offer. We also have many fine restaurants, first-rate shopping, and there are numerous nearby state and National Parks to hike and explore.

St. George is proud of its pioneer heritage, and its legacy of volunteerism and community spirit. The Lions Club has played a vital role in this legacy, and I would like to thank them for their involvement in our community and for the many charitable and social events which they sponsor for the betterment of our City.

Again, welcome to Utah's Dixie and enjoy the show.

DANIEL D. McARTHUR
Mayor, St. George

CHAD DRAKE
Lion President

There is a feeling of excitement in the air as the Dixie Spirit comes to the Sun Bowl to enjoy three nights of action packed rodeo. 79 years is quite a tradition and the Lion's Dixie Round-Up hosted in the Historic Sun Bowl is a Dixie tradition unmatched by any other event in our community. The Lion's Dixie Round-up is a huge part of our heritage here in Southern Utah. I am honored to be President this year and work beside the Rodeo Committee, the Lion's members, and Lady Lions as we strive to continue the legacy and live by the motto, "We Serve". I don't know of any other organization that volunteers to put on an event of this magnitude and donate the proceeds back to the community. It truly is an honor to be a part of the Lions Dixie Round-up. PRCA Rodeo in the Sun Bowl is at its best in September. Cowboys come here fighting for a chance to compete at the Wrangler National Finals Rodeo in Las Vegas for their prestigious place in the top 15.

I hope you enjoy the rodeo watching the greatest sport on dirt!

— Grand Marshall —

JERRY PARKER

For reasons known only to a few the Roundup Committee has chosen to honor Jerry Parker as Grand Marshall of this year's Roundup Parade. In 1977, before any one realized it, he and his wife Marilyn had snuck into town and purchased what was then known as Fenton's Pharmacy on Main Street. Having worn that location out by 1984 they moved what was then called Jerry's Community Pharmacy to the Bluff Street Commercial Center next to Albertson's. Then in 1990, always one step ahead of Dixie State Bank that pharmacy was sold to Kmart where Jerry managed to stay employed as Pharmacy Manager until 2006 and today he works as a roving pharmacist for Lin's Pharmacies in Southern Utah and Fresh Market Pharmacy in Richfield. During all that time Marilyn managed to raise their 3 sons; Jeff, new Lions member Branden, and Brad.

After selling Fenton's Pharmacy to Jerry, Lion Nels Fenton made the mistake of sponsoring him in the St. George Lions Club and strangely enough the club is still here after 36 years with him as a very active member. Jerry was President of the Club in 1984-85, served 4 years on the Roundup Committee and was Roundup Chairman in 1988 and 1989. He has served on the board of directors several times and was twice named Lion of the Year. He wrote the club newsletter for 6 years and for the last 13 years he has been either chairman or a large part of the parade committee. In fact, they may have asked him to be Grand Marshall just to try to get rid of him.

Jerry loves being a member of the St. George Lions Club and credits the club with saving his life back in 1977 when he was desperately in need of friends and customers and joining the club provided both. He is honored and proud to be asked to be the Grand Marshall for the 79th Lions Dixie Roundup Parade. It will be the ride of his life.

MIKAYLA MILLER

Mikayla is the 18 year old daughter of Kendall and Dana Miller of St. George. Mikayla has been attending the Lion's Dixie Roundup Rodeo since she was a little girl, and has always dreamed of becoming their rodeo queen. She became the rodeo princess in 2011, and loved it so much that she came back for another year. She just started her senior year at Snow Canyon High School, and is currently a part time student at Dixie State University. She loves the outdoors, hunting, camping, boating, and snowboarding. She is part of the Dixie High School Rodeo Team and qualified for state finals this year in pole bending. She is an active FFA member, participating in Horse Judging and showing animals. She has participated in the 4-H Horse program for many years, winning many awards and representing Washington county at region and state levels. She is also actively involved in many community service projects throughout this program. She participates in the National Barrel Horse Association, Washington County Barrel Racing Association, and Color Country Equestrian Club Open shows. She barrel races, pole bends, goat ties, breakaway ropes, and competitively shows horses. She loves to work with and train her horses for all the events she competes in. She shows steers in the Dixie Jr. Livestock Show and has won many blue ribbons from her accomplishments. This year, she traveled all across the state of Utah as an ambassador for the Dixie Roundup, promoting the rodeo at many events throughout the year. Of the many activities she has participated in this past year, reigning as the Lion's Dixie Roundup Rodeo Queen has been the highlight of it all.

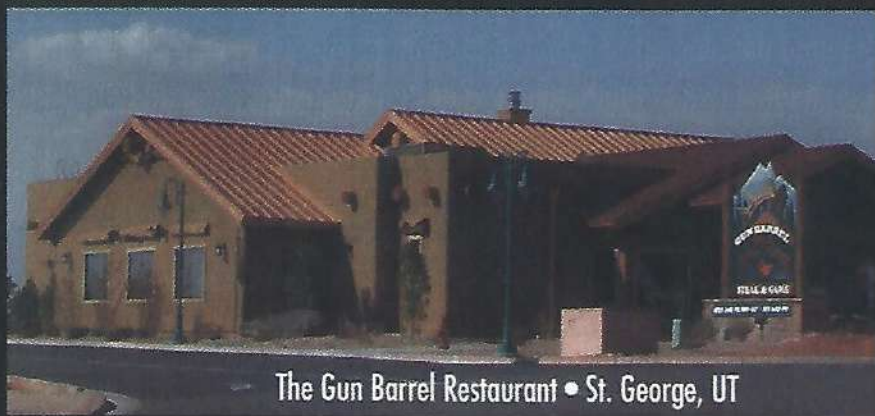

"Being the Lion's Dixie Roundup Rodeo Queen has been a dream come true; however there is no way I could have ever accomplished my goals without the love and support of the many who helped me along the way. I would like to start off by thanking our awesome St. George Lion's Club, especially Darren Coughlin, Scott Benson, and Chris Larsen for all they have done for me, and for all their time and hard work to put this rodeo together. This wouldn't be possible without you! Thank you, Tara Coughlin and Jamie Udell for putting together such a great contest, and for helping me out with all the many questions I've had! Next, I would like to thank Mark Breinholt at Colorland Photo for all his time and effort to get that "perfect picture". Thank you, Natalie Drake, for all your help and support through everything, and for all your great advice and encouragement! Also, thank you to Mckinley Drake for all her extra help and for always being there for me along the way. Now, I would like to thank the amazing Arlynn Kemp, for all your help getting our horses ready and where they need to be, no matter how many problems we ran into, and

for always making sure we looked our best! Thank you to my wonderful grandparents, Lamar Miller and Boyd and Kay Mitchell, for always showing your support and interest in all that I do. And a huge thanks to my parents, Ken and Dana Miller, for taking their lives off for me, to allow me to do what I love! I couldn't have done it without you. Last, but not least, thank you to my princess, Sarah Kemp, for being such an awesome friend, and for always keeping it interesting on our many crazy adventures! What a year it's been.

I have the most amazing parents, family and friends. They have always been there to cheer me on while I was out promoting the great sport of rodeo. Thank you to everyone who has allowed me to fulfill my dream of being a queen! I just want to say 'Good Luck' to all the contestants, and enjoy the 79th annual Lion's Dixie Roundup Rodeo!"

2013 Dixie Roundup Princess

SARAH KEMP

This year's 2013 Lions Dixie Roundup Rodeo Princess is Sarah Kemp. Sarah is 16 years old and is now a junior at Snow Canyon High school. She is the proud daughter of Greg and Arlynn Kemp of Santa Clara Utah where she was born and raised. Sarah competed in several different sports including soccer, softball, ballet, gymnastics, golf, and rugby but her heart always belonged to her western roots. Sarah's love of horses comes from a lifetime of friendship with all kinds of four legged friends along the way. Sarah began rodeoing at age four with her first horse, a white pony named Sugar. After rodeo, Sarah began a short lived career of Show jumping and English pleasure where she credits most of her balance in the saddle to. Sarah is now actively involved in her high school FFA where she judges horses and is a chapter officer in the position of Historian. Representing her chapter and region Sarah made it to state level for reciting the FFA creed. Sarah is again active in rodeo and is a member of the WCBRA (Washington county barrel racing association). When she's not rodeoing or representing the Dixie Roundup Rodeo at various rodeos around the state of Utah Sarah enjoys camping at the family ranch, fishing, four wheeling, trail riding, drawing, and spending time with her two legged friends. In preparing for the Dixie Roundup Rodeo Queen and Princess pageant Sarah spent every night practicing each category she as well as other contenders were judged on. Each contestant was judged on speech, modeling, interview, impromptu, horsemanship, written test, and photogenics. After all the practice, sweat, and several bottles of hairspray the hard work paid off and on June 6, 2013 Sarah was crowned the 2013 Dixie Roundup Rodeo Princess! As Dixie Roundup Rodeo Princess Sarah will spend her reign as an ambassador for the sport of rodeo traveling across the state of Utah to various rodeos promoting the Dixie Roundup, the western lifestyle, and the greatest sport on dirt!

"This past year I have been so lucky to have the amazing opportunity of representing my favorite rodeo! Ever since I can remember my family has attended the Dixie Roundup Rodeo. And not just my parents and my brother but my cousins and nieces and nephews as well! Making the Dixie Roundup a true family tradition! Not only for the Kemp family but the whole community! We would always get to the Sunbowl early so that I could watch the grand entry and see my favorite part of the rodeo, the introduction of the queen and princess! Since my very first visit it has been my dream to become a part of the Dixie Roundup Rodeo Royalty. On June 6th 2013 my dream came true. Since then my life has been a whirlwind of road trips and rodeos and I wouldn't have it any other way! I have been having the time of my life and that wouldn't have been possible without the help and support of a lot of amazing people. Thanks to the entire Lions Club for making a lot of dreams like mine come true! Thank you for this amazing opportunity! Thanks to Darren Coughlin, Scott Benson, and Chris Larsen for all their effort and time they put into making Mikayla and I look like true royalty and for putting on such a great rodeo! Thank you to Tara Coughlin, Katie Larsen, and Jamie Udell for such a wonderful pageant experience. Thanks to all our sponsors, you guys and gals are the reason Dixie has a Roundup! I'd like to thank my family for everything they do in and outside the rodeo arena! Auntie B and Uncle Denny, you guys have always been at my rodeos, shows, and queen contests always making sure I was mounted on the best whether it was a parade or a trail ride! Dave Miller thank you so much for all the time you put into my riding lessons but most of all thank you for letting me ride

Cricket, he's been a dream to ride and a great partner in crime! Bailee Cannon Sleppy I don't think thank you can cover all the time and hairspray you've put into my queening and barrel racing career! You took me on in the beginning and I'm where I am now because of what you've done, and a big thank you to Tegun Sleppy for being my cutest little cheerleader! Thanks to Ann Clemmitt Quinn for the inspiration to follow my dreams of becoming the Dixie Roundup Rodeo Princess. Becci Maloney and Linda Larsen because of you ladies my clothes look as good as they do Thank you! Thank you, Dana Miller for always going the extra mile in whatever you do on our crazy road trips! The whole Cannon family whether it was shaping hats or letting me ride your horse or barrel racing tips and help, thanks to all of you my accidents have stayed in the single digits! Buttons Warburton, Jerry, and Grandpa Taylor thank you for being my guardian angels throughout my horse career I love and miss you all dearly. My Dad and brother Adam thank you for always keeping me grounded and making sure I stay humble! Mom, words can't cover the gratitude and love I have for all your inspiration, tolerance, and for loving me like I've never made you want to rip your hair out. I love you to the moon and back! My horses Josie, Tonka, Cooper, and Mouse. Thanks for not dumping me in the dirt. You guys are the greatest! Mikayla Miller, I couldn't have asked for a better traveling buddy, queen, and friend. Thanks for putting up with my goofiness and bad jokes, giving me advice, and for making this wild ride all worth the hair loss and rainy parades! My year as Dixie Roundup Princess wouldn't be near as amazing as it is without such wonderful people in my life thank you all.

I'd like to welcome everyone to the 79th annual Dixie Roundup Rodeo! To the contestants, make us proud! To the crowd, cheer 'em loud! Now LETS RODEO!

Good Luck Rodeo Contestants!

DOUG MITTLEBERGER

Doug Mittleberger loved being part of the St. George Lion's Club. He joined in 1980 and served many great years supporting the different causes of the Lion's Club. He believed in the Lion's organization and the many great deeds that they supported to make our neighborhood a better place to live. He donated countless hours to help improve our great community. Through all of those years he made many great friends. One year, during the Dixie Downs' Race Meet, he was dubbed the name of "Nuts" for the many donuts he would donate to the well-being of the club. He love bringing in new members and enjoyed the year that he was Club President.

Doug loved life and loved all those who were around him. He owned Doug's Donuts and worked for Washington County School District. He later retired and owned 4 laundry mats. He spent a lot of time riding his Harley and playing golf with his buddies. Doug not only loved to make kids smile but he also loved the elderly. He was like a guardian angel. He would go out every day to visit the sick and needy. He would bring smiles to so many people. As you can see Doug's live was about service, from Korea to St. George, Utah. He is loved and missed by all.

HAL NORTON

With over 40 years as a member of the St. George Lion's Club, Hal Norton truly loved serving our community. It was a great joy for him to work side by side with the men he respected as they provided funding for scholarships, eye glasses, Habitat for Humanity and many youth groups. Work meetings were especially important to Hal as he felt a strong responsibility to improve the beauty of our community through a vast number of service projects. He took great pride in knowing that 100% of all profits from the rodeo and races would be returned to the citizens of Southern Utah.

During his time in the club, Hal served as the Lion's Club president, rodeo chairman, rodeo committee member and many, many years as the rodeo concession chairman. He also oversaw the AQHA stats for Lion's Dixie Downs Horse Races and as a committee member. He and his wife Uldene travelled to Japan as representatives of the club in conjunction with Lion's Club International and hosted members in their home from their sister club in Gifu, Japan.

ELWOOD HARRISON

Elwood Harrison was a member of the St. George Lions Club for more than 50 years. Elwood lived in the triangle of life: Family, Friends, Country/Community. He passed away December 5, 2012, after a courageous battle with lung cancer. He was born on September 2, 1929, in Cedar City, Utah. Elwood was the oldest of four boys. He graduated from Cedar High School and soon after joined the United States Navy. During his six years of military service he graduated from the U. S. Naval Medical School in Bethesda, Maryland. He served in the Korean War in the Fleet Epidemic Disease Control Unit. After returning from his military duties he began working at Dixie Pioneer Memorial Hospital on June 21, 1954, as a Lab and X-Ray Technician. He later advanced to the position of Administrator of the hospital from 1963 to 1980. He was responsible for the leadership, operations and construction of the Dixie Medical Center, and healthcare in Southern Utah was the center of his lifelong occupation and work in St. George. He also developed an extension of a nursing program with Weber State and Dixie College. He was the chairman of the Washington County Red Cross and an honorary lifetime member of the Utah State Hospital Association. Elwood was an active member of the Lions Club since 1962. He worked on committee projects with the Lions Club for more than 50 years. In September of 2012, a week after being diagnosed with lung cancer, he insisted that he with his family attend the Rodeo. This was just 3 months prior to his passing. Elwood left with reservation and some heart ache, the ticket taking at the east entrance of the Sun Bowl to his buddies. Bill Hickman and John Reber. He always enjoyed the camaraderie he had with his friends in the Lions Club. His best and most cherished friends that were so dear to him were in this service organization and are still serving. Elwood loved you all! He made you all laugh and would sometimes (no always) laugh at himself.

THANK YOU TO OUR LADIES

The St. George Lions Club would like to take this opportunity to thank all of our wives for all the wonder-ful things they do. . . They are great help at rodeo time that's for sure! They also help with many other things: Scholarships, Party Planning, Parade floats, the Children's Parade, and all the things we really need to keep part of the whole rodeo tradition. The Lady Lions also do things for the Jubilee of Trees, help wrap at Coins for Kids, help with Academic Decathlon, the Queen Contest, and many other events. So if you happen to see our wives or any Lady Lion, let them know how much we appreciate their help. We would be lost without them!

Thank you, Ladies... ***We Love You!***

MARC GILL

Bullfighter

My aim in the arena is to give the bull riders the best protection possible, no matter what level of rodeo. I have fought bulls for so long there isn't much I haven't seen happen in the arena. There is a lot of communication that happens between the two bullfighters and the cowboy. During a ride we (the bullfighters) communicate on position etc. and with the rider letting him know a good time to check out or after letting him know or directing them which way to run! As far as injuries, its just part of the job, you name it I've probably broke it or have torn it. The healthier you are the faster you will recover from the hits. I have a pretty good exercise plan throughout the year. Outside the Pro rodeo arena I enjoy team roping and team sorting, white water kayaking, skiing and golf.

"Bullfighting is the only art in which the artist is in danger of death and in which the degree of brilliance in the performance is left to the fighter's honor."

DUSTY DUBA

Cowboy Lifesaver

Dusty's passion for the sport of rodeo and cowboy protecting has taken him from coast to coast as he has fought bulls in over 38 states. From the Cow Palace, to New York, and Great Falls, Montana, to Bay City, Texas and covering many rodeos in between contribute to his successful career. His natural ability gave him the opportunity to twice work the Great Lakes Circuit Finals and the Prairie Circuit Finals. He is a stable part of the World's Toughest Rodeo featuring the Toughest Cowboy Tour. Dusty was also a part of the Rodeo Europe Tour that took place in nine cities throughout Spain. Dusty enjoys protecting cowboys and the business of rodeo as a whole. Outside the arena Dusty gives radio and television interviews and shares his experiences at schools and various community organizations to promote rodeo. He always enjoys meeting fans, signing autographs, and getting the audience excited for bull riding. Bullfighting takes someone who is quick on their feet and not afraid to take necessary risks. His cowboy life-saving skills allow him to have a full time career doing what he loves. With Dusty's experience and talent, any cowboy knows they're in good hands when he is in the arena.

The Bar T Rodeo Company

Was founded in the Red Rocks of Moab, Utah over 60 years ago by Cowboy Hall of famer D.A. Swanny Kerby & his wife Verda Kerby. Swanny Kerby brought some of the early rodeos to Utah and has continued to produce top quality PRCA rodeos all across the Western United States taking bucking stock to the first National Finals Rodeo in 1959 in Dallas, Texas and every NFR since. The Bar T Rodeo family works hard maintaining the quality bucking horses and bucking bulls that the Bar T Rodeo has been known for. In 2011 Bar T Rodeo's Fancy Pants won best saddle bronc of the Wrangler National Finals Rodeo as well as the 2012 Ram National Circuit Finals Rodeo horse of the year. Previous top stock awards have been awarded to bareback horse Alley Cat and saddlebronc horse Sparrow. Many years they have won top stock awards for the Wilderness Circuit. Bareback horse Bitter Robin, Saddlebronc horse 8 Ball and Bull -8 TopGun all won Animal of the Year at the 2011 Wilderness Circuit Finals Rodeo. In 2011 Bar T Rodeo came home with four go round buckles from the Wrangler National Finals Rodeo. Bar T Rodeo has been awarded with the Remuda Award, for best bucking horse breeding program, two different times first in 2006 and again in 2011. In 2002 Bar T Rodeo helped produce the first Olympic Rodeo in Farmington, Utah. 12 years ago Bud and Evelyn's daughter Wendie and her husband Jeff Flitton started a Bull breeding program. Several of the bulls they raised have been selected to go to the Wrangler National Finals Rodeo in Las Vegas, Nevada.

REED FLAKE

Reed Flake joined the PRCA in 1992 and has been the voice of rodeos across America ever since. Reed makes his home in Snowflake, AZ with his wife Amy and their children Skyler, Kyle, and Rebecca. He crisscrosses the country entertaining crowds and keeping fans in touch with rodeo action. Reed participates in many ventures surrounding this sport that he truly loves. He is an avid team roper and enjoys ranching.

Reed is joining us for another year here at the Dixie Roundup. He is looking forward to helping Dixie carry on it's fine rodeo tradition.

Barrelman & Clown

RANDEE MUNNS

Randee Munns has been a bullfighter and clown for many years and has worked rodeos throughout the United States. He is from Garland, Utah, where he has a ranch and horse training operation. He is also a brand inspector for the state of Utah. Randee has brought unique comedy acts to the Lions Roundup, along with his expertise as a bull fighter, for many years. There are basically two types of clowns; the bull fighter and the barrelman. They both have serious jobs to do with a little flair of comedy thrown in. The barrelman uses himself and his barrel as a diversionary obstacle. He hauls a heavy battered reinforced metal barrel around, and folds himself inside like an accordion. Once inside the barrel, he awaits the blows of the irate bull and sometimes receives the unwelcome horn or hoof inside with him. Randee excels at both disciplines, and shares his unique sense of humor and comedy with rodeo fans throughout the country. He has been a staple at the Dixie Roundup for many years and is a crowd favorite.

AJ CONSTRUCTION, INC. *is top in its field!*

AJ has vast experience and notable expertise in all aspects of **Residential Building**, from design/build to tenant improvements, as well as **Commercial** and **Industrial** projects. Their personnel self-performs all Concrete Work, Demolition, Carpentry, Excavation and Special/Equipment Installation.

The greatest impact and overall value of a project is directly linked to the preconstruction phase. From functionality and durability to the quality and aesthetics of your building, the greatest percent of your project's potential value is through a comprehensive and calculated preconstruction process... and **AJ Construction is a leader!**

- **Preconstruction consultation**—AJ will design or collaborate with client's design team, offering ways to help achieve the client's vision within their budget parameters.
- **Concise and guaranteed cost breakdown**—AJ gives the client a clear, detailed picture of what they are building and what the client is buying... no hidden surprises.
- **Preconstruction schedule**—AJ distributes information to all trades and other applicable parties, so everyone is on the same page and knows the progress being made relative to the expected deadlines.
- **Mutually agreed upon change orders**—AJ's process is streamlined, well-defined and, ultimately, designed to ensure the structure is completed on time and within budget. Again... no hidden surprises.

AJ's belief is a happy client is a return client, and one who would recommend AJ to their acquaintances. **AJ Construction** takes pride in their commitment to offer their clients the highest quality building/structure, while embracing their visions and realizing their ultimate building expectations.

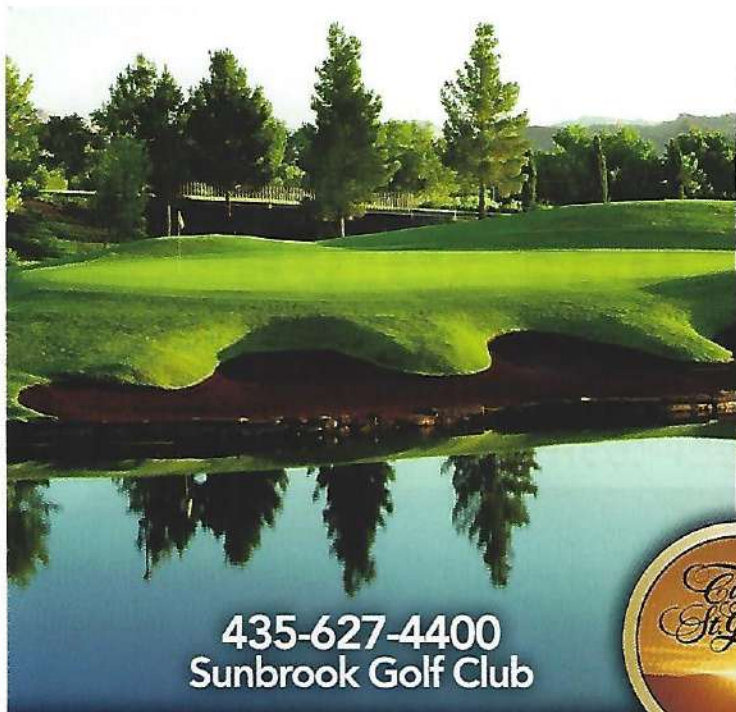

Located in Washington City, Utah, AJ has relationships with more than 500 local contractors in Washington County with some extending more than 20 years. AJ Construction is committed to utilizing 100% local contractors in all of their projects when feasible, and in association with The Southern Utah Home Builders Association (SUHBA) they work side by side with other highly reputable Contractors, Architects/Engineers, Subcontractors and other government agency officials. SUHBA is a trade association representing building industry businesses throughout Washington, Kane and San Juan Counties of Southern Utah.
