KASON GRAFF
Lion President

As President of the St. George Lion's Club, I extend a warm welcome to the 81st Annual Lion's Dixie Round-Up. We want to thank the City of St. George, the business community, and the many loyal fans for their continued support to help keep the Rodeo tradition alive. The net proceeds from the Rodeos' are used to support community projects and local youth group organizations throughout the year.

As with any event, it's the behind the scenes work which goes unsung. A heartfelt thank you to the Lion's club members and the lady Lions for their combined efforts and cooperation to make this Rodeo happen.

From the past to the present the tradition goes on! Let's Rodeo!

DIXIE ANDRUS

Growing up in Alton, Utah, a very small farming /ranching community, Dixie Heaton Andrus learned the value of hard work, integrity, community service and education. After graduating from Dixie Junior College (now DSU) and U.S.U with a degree in education, she married George Andrus and moved to St. George, UT, which was a defining step in her life.

It was in this community and the Washington County School District where circumstances presented them selves, pushing her to learn and grow. Mrs. Andrus was a teacher, an assistant principal, and principal. Interacting with students and colleagues is a huge part of her life. For Dixie teaching 'was not a job but a joy!'

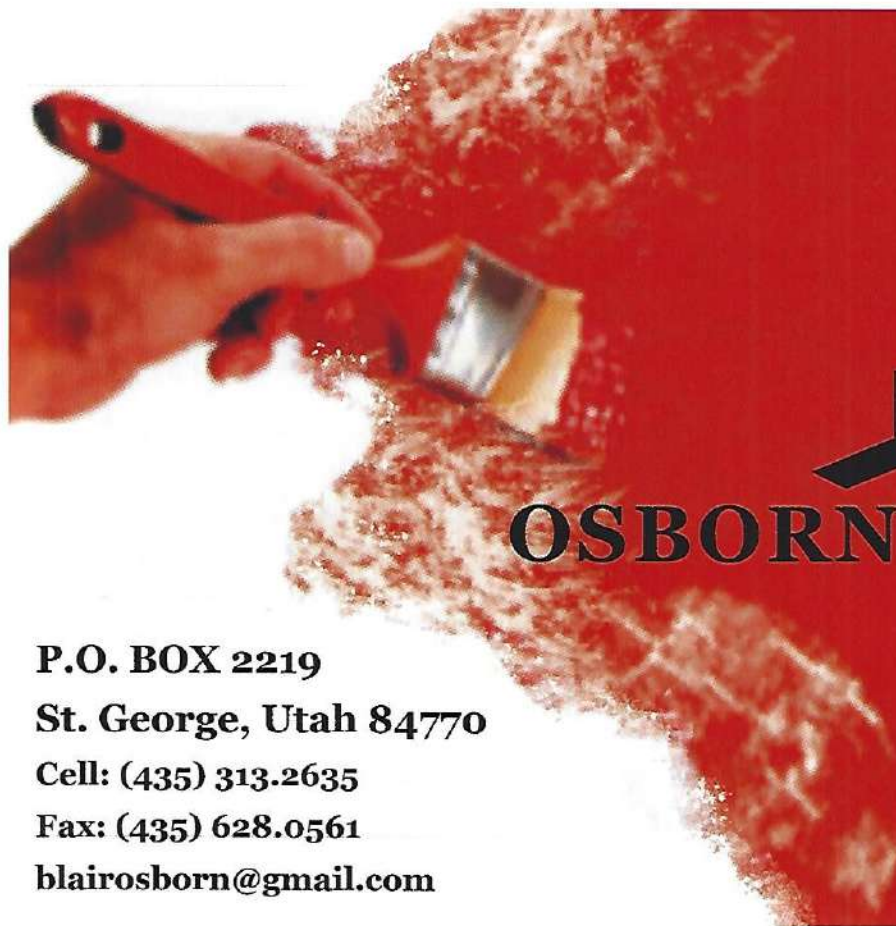

Many opportunities were placed in her path to also serve her community, Adjustment Board, Leadership Dixie, state and local High School rodeo director/advisor assignments, leadership positions in the educational arena, where she has received several honors. She also serves in a religious capacity.

The combination of being married to a rodeo cowboy, taking an active part in community events, plus four children who all joined the Dixie High School rodeo club was Dixie Andrus' introduction to rodeo as well as the St. George Lions, a generous, caring group of men and woman whose willingness to support this community and the young people in it, was amazing in her eyes. As a result Mrs. Andrus added rodeo and western lifestyle to her curriculum during rodeo week in September.

"This community and county have provided me with so many wonderful experiences and memories, I am ever grateful to those who planted in my heart, strong feelings of loyalty and love for this place and the people in it. September and the Lion's Dixie Round-up with its parades and other activities, has always been a wonderful part of the St. George lifestyle. Just another piece of what makes St. George such a delightful community. I would like to take this opportunity to publicly thank this distinguished group, the St. George Lions, for the numerous services and the kindnesses they so graciously provide."

2015 Dixie Roundup Queen

SARAH KEMP

Santa Clara Utah is where Sarah Kemp has always called home. The 18 year old daughter of Greg and Arlynn Kemp and the youngest of eight, Sarah is the only one to rodeo. Born and raised under the bright lights of the Dixie Roundup it has always been a dream to one day wear the crown and represent her hometown rodeo. A graduate of Snow Canyon high school Sarah plans to further her education at Dixie State University where she can stay close to home and more importantly close to her horses Mac and Cricket and her dog Margo. Throughout high school Sarah was active in FFA where she judged horses and served as an FFA officer. She was also a member of the Dixie High School Rodeo Club where she competed in barrels, poles, and reined cow horse and served as President her senior year. As part of a third generation family with roots in ranching and rodeo Sarah has grown up watching and living the western lifestyle, from competing in rodeos, trail riding, and working on the family ranch to winning titles in rodeo royalty such as Iron County Rodeo Princess 2012, Dixie Roundup Princess 2013, Iron County Queen 2014 and finally the 81st annual Lions Dixie Roundup Queen for 2015.

Outside the arena Sarah enjoys creating art, traveling, spelunking, playing the ukulele and spending time with friends and family. Earlier this summer Sarah returned from a two and a half week long humanitarian trip to the Dominican Republic where she helped build a medical clinic and teach English to the locals. "My time in the Dominican Republic was ineffable, the people there touched my heart in ways I did not expect or thought possible. Being completely immersed in service I was able to truly see how actions do speak louder than words."

"As the Dixie Roundup Queen I can only hope that throughout my reign I can represent this great rodeo where hard-working men and women whose efforts and sacrifice have left a remarkable long-standing legacy, of which

I am an undeniable benefactor, to the best of my abilities. A special thank you to my family who have supported me so much these past years through the joys and the pains from pinning hats to prepping horses you have always been by my side. Thanks to the Lions for a fabulous rodeo and organization, and thanks to my horses for literally carrying me through this wild ride. With the help of so many amazing people I couldn't dream of adequately thanking everyone who has positively influenced my life on this road to where I am today. Thank you." -Sarah

To the crowd cheer 'em loud, to the contestants make us proud, now lets rodeo!!

McKINLEY DRAKE

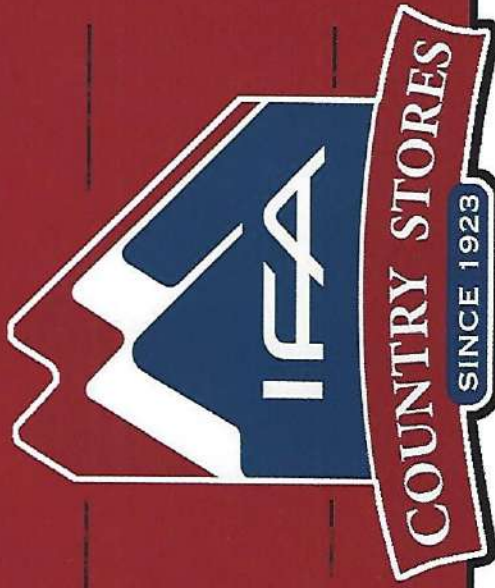

Lion's Dixie Round-Up Princess is 15 year old McKinley Drake. She is the daughter of Chad and Natalie Drake and resides in St George, Utah. A Sophomore at Desert Hills High School, she maintains a 4.0 GPA. She is a member of the National Honor's Society, the FFA Club, the Science Olympiad Team, and the Dixie High School Rodeo Team. McKinley was a member of the 4H Team for several years and is a 5-Time Regional and 3-Time State Horse 4-H Champion. McKinley had the honor of competing on the Science Olympiad team the past two years where she is a 2-Time Region Champion and at the State Competition at University of Utah, McKinley won 1st place honors this past spring. McKinley competes in Barrels, Poles, Break-away Roping, and the Queen Competitions at the Utah High School Rodeos.

"I have had the privilege of representing the Lion's Dixie Round-Up across our great state. Some of the highlights include the Day's of '47 KSL Parade, Miss Rodeo Utah Competition, Ogden Pioneer Days, the Ute Stampede, Gunlock Rodeo, and the Veyo Rodeo. I have loved every second of serving as the Princess for the 81st Annual Dixie Round-Up Rodeo. The Lions Club has always produced a great PRCA rodeo and they serve the community in such a tremendous way that I was honored to be chosen to serve them as an ambassador for the rodeo. This year has taught me a lot and I am grateful for the memories I have made; from my stomach ache after eating way too much Ben and Jerry's, to riding my horse around bareback at the Ute Stampede, there has never been a dull moment. I am excited for the rodeo this year and I hope everyone has a great time.

There are many people "behind the scenes" that make this all possible for me because everyone needs a great team behind them! First, thank you to my queen, Sarah Kemp and her mom Arlynn Kemp for being great travel partners. Sarah gave me a new love for pints of Ben and Jerry's Ice Cream for our road trips! Thank you to Justin Palmer, Jamie Udell, Ashlie Scott, the Cattoor Family, and my grandparents. Also thank you to the Holyoak's, Dana and MiKayla Miller for all of your love and support. Thank you to Sandi at Merle Norman, Brooke Milne, and Sunset Western Headquarters. A special thank you to Tara Coughlin, Katie Larsen and Jamie Udell for the great contest. Thank you to the amazing Lion's Club and for all you do for the community and to Lion's President, Kason Graff as well as the rodeo committee; Scott Benson, Greg Mathis, and Chris Larson for all of their hard work in putting on another successful PRCA Rodeo. Last, but definitely not least, I need to thank my parents for putting up with me, they always have "my back" and help me in any way I need, thank you Mom and Dad, love you!"

REED FLAKE

Reed Flake grew up working cattle and horses for his family ranch. Later he went to Ricks college where he received a degree in ranch management. Reed has been announcing rodeos for over 25 years he has announced such events such as the National High School finals, the National Jr. High Finals, the Turquoise Circuit Finals, the USTRC finals, the George Strait Team Roping and the Bob Feist Team Roping. Along with his announcing abilities Reed also works with his uncle Keith producing many videos for Rodeo Video and leasing cattle for team ropings etc. Whether Reed is behind a microphone or talking to you in person he will put you at ease and make you feel comfortable,

as if you have known him for years. He enjoys traveling and meeting new and old friends alike. Reed and his wife, Amy, reside in Snowflake Arizona, where they have lived for most of their 33 year marriage. Reed and Amy spend much of their time on the road. Amy stays busy while on the road with him by timing PRCA rodeos, team ropings and her favorite, playing music for the rodeos and bull ridings just so they can be together. Being able to spend much of their time together is what Reed attributes the success of their marriage to. They have 3 children, all of which are married and have been blessed with 4 grandchildren and one on the way.

THANK YOU TO OUR LADIES

The St. George Lions Club would like to take this opportunity to thank all of our wives for all the wonder-ful things they do. . . They are great help at rodeo time that's for sure! They also help with many other things: Scholarships, Party Planning, Parade floats, the Children's Parade, and all the things we really need to keep part of the whole rodeo tradition. The Lady Lions also do things for the Jubilee of Trees, help wrap at Coins for Kids, help with Academic Decathlon, the Queen Contest, and many other events. So if you happen to see our wives or any Lady Lion, let them know how much we appreciate their help. We would be lost without them!

Thank you, Ladies... ***We Love You!***

AARON FERGUSON

Bullfighter

Aaron Ferguson was born and raised in High River, Alberta, Canada. At the age of fifteen he decided to test his hand as a rodeo bullfighter, working numerous high school and amateur rodeos. In 2009 while attending college in Oklahoma, Ferguson was approved for his Professional Rodeo Cowboys Association bullfighter card. Since gaining professional status, the twenty-six year old has quickly become one of the most recognizable figures in the bullfighting business.

In 2013, Ferguson became just the second Canadian ever to be voted to fight bulls at the Wrangler National Finals Rodeo in Las Vegas, NV. In 2014 he was nominated for the PRCA Bullfighter of the Year Award. Aaron has been selected to protect cowboys at the PRCA Ram Prairie Circuit Finals Rodeo three times and the PRCA Ram Wilderness Circuit Finals twice. Aaron has also been selected three times for the College National Finals Rodeo and Denver's Rodeo All-Star.

JOE BUTLER Bullfighter

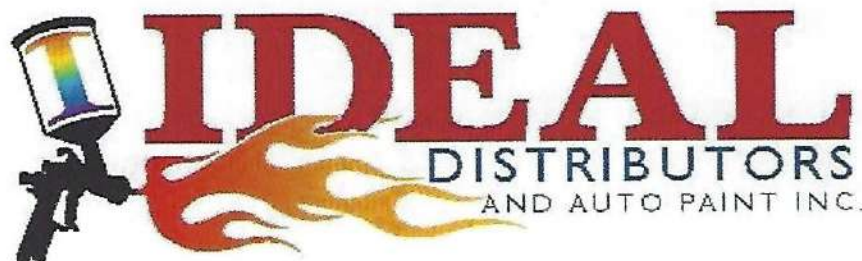

Joe Butler 34 years old from Cushing Oklahoma while in college at OSU obtaining my bachelors in animal science I found a passion for bullfighting in 2000. While competing in college rodeo.

In 2003 I received my PR CA card and started my career professionally saving Cowboys lives. While living out my passion and rodeoing all over the United States I've had the honor of being able to work the turquoise circuit finals and some great rodeos like Spanish Fork UT Sheridan WY and several extreme bulls, while working hard to try to get to the NFR.

The rodeo and the western way of life i enjoy best are when my wife Robin ,my son Clayton 8years old and son Brantley 3years old get to join me on the road. I'm very thankful and blessed to Live this way of life Called rodeo.

See you down the road.

Talkin' like a Rodeo Cowboy

BARRELMAN: an entertainer who uses a barrel to distract a bull after a ride, sometimes to protect the cowboy.

BOX: in a timed event, the area a horse and rider back into before they make a roping run.

BREAKING THE BARRIER: in a timed event, if the rider leaves the box too soon – failing to give the animal enough of a head start – he is assessed a 10-second penalty.

BULLDOGGER: a steer wrestler

BULLFIGHTER: two athletes who protect the bull rider after he dismounts by distracting the bull and directing its attention to the exit gate, sometimes stepping between the bull and the bull rider.

COVERING: staying on for at least the minimum time, eight seconds; “He covered all three broncs he rode last weekend.”

CROSSFIRE PENALTY: in team roping, if the header doesn’t change the direction of the steer before the heeler catches, the run is disqualified.

FLANK STRAP: a soft sheepskin- or neoprene-lined strap placed in the area where a human’s belt would go, it encourages the animal to kick out behind itself rather than rear up, which provides a safer, showier ride.

HAZER: in steer wrestling, the cowboy who rides on the other side of the steer from the contestant to make sure the steer runs straight.

HEADER/HEELER: the two partners in team roping – the header throws the first rope over the animal’s head or horns, and the heeler throws the second rope to catch the steer’s hind legs.

HOOEY: the knot that a cowboy uses to finish tying the calf’s legs together in tie-down roping.

MARK OUT: in the bare back and saddle bronc riding, a cowboy’s feet must be above the point of the horse’s shoulders when the horse makes its first move out of the chute – if so he marked the horse out, but if not, he missed him out and the ride is disqualified.

PICKUP MEN: the two mounted cowboys who help riders dismount, release the bucking horse’s soft flank strap, and escort the bucking horses and bulls to the exit gate after a ride.

PIGGIN STRING: in tie-down roping, the small rope used to tie a calf’s legs together.

RANK: an adjective of the praise and respect used to describe especially challenging roughstock

RE-RIDE: if a horse or bull doesn’t buck to performance specifications, the judges may offer the cowboy a clean-slate chance on a different horse or bull.

STANDINGS: a professional cowboy’s success is measured in earnings and cowboys may keep track of where they rank in yearly earnings in several sets of standings

TRY: a noun used for both cowboys and livestock, denoting grit, determination, fitness, stamina and resilience. “Give that cowboy a hand – he had a lot of try.”

RANDEE MUNNS

Randee Munns has been a bullfighter and clown for many years and has worked rodeos throughout the United States. He is from Garland, Utah, where he has a ranch and horse training operation. He is also a brand inspector for the state of Utah.

Randee has brought unique comedy acts to the Lions Roundup, along with his expertise as a bull fighter, for many years. There are basically two types of clowns; the bull fighter and the barrelman. They both have serious jobs to do with a little flair of comedy thrown in. The

barrelman uses himself and his barrel as a diversionary obstacle. He hauls a heavy battered reinforced metal barrel around, and folds himself inside like an accordion. Once inside the barrel, he awaits the blows of the irate bull and sometimes receives the unwelcome horn or hoof inside with him. Randee excels at both disciplines, and shares his unique sense of humor and comedy with rodeo fans throughout the country. He has been a staple at the Dixie Roundup for many years and is a crowd favorite.

FIVE GENERATIONS STRONG THE LEGACY LIVES ON

The Bar T Rodeo Company was founded in the Red Rocks of Moab, Utah over 60 years ago by Cowboy Hall of famer D.A. Swanny Kerby & his wife Verda Kerby. Swanny Kerby brought some of the early rodeos to Utah and has continued to produce top quality PRCA rodeos all across the Western United States taking bucking stock to the first National Finals Rodeo in 1959 in Dallas, Texas and every NFR since. Their Son Bud Kerby and his Wife Evelyn took the Bar T to the next level

making it a state icon and one of the top rodeo companies in the United States. Bud, a saddle bronc rider and pick up man, was highly respected as one of the best bucking horse men in the industry. He built a breeding program that today is one of the most sought after horse herds in the world

Today the Bar T Rodeo Company has been passed to the third generation and is owned by Jeff and Wendie Flitton, along with their son a fourth generation family member Cody Flitton. The Bar T could not run and operate without the help of many family members, Evelyn Kerby, Sam and Kellie Addington, Lori and Martin Pierce who all love the family heritage and the sport of rodeo. The Bar T Rodeo family works hard maintaining the quality bucking horses and bucking bulls that the Bar T Rodeo has been known for.

In 2011 Bar T Rodeo's Fancy Pants won best saddle bronc of the Wrangler National Finals Rodeo as well as the 2012 Ram National Circuit Finals Rodeo horse of the year. Previous top stock awards have been awarded to bareback horse Alley Cat and saddlebronc horse Sparrow. Many years they have won top stock awards for the

Wilderness Circuit. Bareback horse Bitter Robin, Saddlebronc horse 8 Ball and Bull -8 TopGun all won Animal of the Year at the 2011 Wilderness

Circuit Finals Rodeo. In 2011 Bar T Rodeo came home with four go round buckles from the Wrangler National Finals Rodeo. Bar T Rodeo has been awarded with the Remuda Award, for best bucking horse breeding program, two different times first in 2006 and again in 2011. In 2002 Bar T Rodeo helped produce the first Olympic Rodeo in Farmington, Utah. 12 years ago Bud and Evelyn's daughter Wendie and her husband Jeff Flitton started a Bull breeding program. Several of the bulls they raised have been selected to go to the Wrangler National Finals Rodeo in Las Vegas, Nevada.
