MAYOR RANDALL

On behalf of the City of St. George I want to welcome you to our beautiful city and also welcome you to the 87th annual St. George Lions Dixie Roundup Rodeo, held at the historic Dixie Sunbowl.

We hope you enjoy the newly constructed concession stands and restrooms on the south side of the Sunbowl. Each time improvements are made it enhances the rodeo experience – and there are more improvements coming to this historical venue in the future!

I was fortunate to grow up in a family that liked to rodeo. I attended my first rodeo when I was 2 weeks old and my first Dixie Roundup when I was 7 months old. I have only missed a handful of Dixie Roundup Rodeos since then.

The Dixie Roundup is full of tradition and heritage. Families and friends gather each year to attend the rodeo together. If this is your first time attending the Dixie Roundup, we hope you will feel the excitement and tradition that brings people back year after year.

You won't find a more patriotic crowd than at a rodeo. Between the contestants and the spectators everyone stands for the flag and the National Anthem. We come together as Americans to pay respect to our flag, our military and our first responders and to enjoy the greatest sport on dirt.

Thank you to the St George Lions Club and the Lady Lions for the dedication, hard work and long hours you spend to provide such a great event everyone looks forward to each

September. Also, thank you for Pink Night. As a breast cancer survivor, it's very emotional to see all the pink on Friday night and know money is being raised by the Lions Club for breast cancer research that will benefit our local community. Thank you!

I hope contestants and spectators alike enjoy three nights of great rodeo in Utah's Dixie.

Mayor Michele Randall

MADISEN WALLACE

Madisen is the 23 year old daughter of Tim Wallace and Jeannie Newman. She grew up in Glenwood, UT on a farm and ranch operation where she helps manage a commercial cow-calf herd and cut, bale and harvest alfalfa crops. She graduated Magna Cum Laude from Richfield High School in 2016, and was involved in 4H and FFA throughout her early education. She graduated Summa Cum Laude from Southern Utah University with her Bachelor's in Agribusiness and a Chemistry minor in 2020. While in college, she served multiple leadership positions in the club Animal Ambassadors, and organization dedicated to teaching the public through the use of exotic animals, such as snakes, reptiles and insects. She is currently pursuing her Master's of Business Administration with a Leadership emphasis through SUU, with plans to graduate in the spring of 2022. She plans to use her education to pursue an agriculture

oriented career and to help run her own farm and ranch operation in the future. When she is not carrying out her duties as a rodeo queen, farming, or attending to her studies, you can find her competing in reining horse competitions, hunting, fishing, or exploring Utah's trails from the back of a horse.

Madisen's true passion lies in both rodeo and agriculture; as a first generation rodeo queen, she uses her platform to reach out to people of all ages to teach them about the greatest sport on dirt and agriculture. She strongly believes in the power of education and strives to use her abilities to help others pursue their own dreams and become the best version of themselves. She has strong roots in family traditions, faith and community service, as well as a deep respect

for her flag and country. She is proud to represent the Dixie Roundup Rodeo and is honored to be apart of a very special tradition!

DONALD RANDALL

Donald Randall was born on February 23rd, 1933, in Enterprise, Utah. He peacefully passed away on August 14th, 2021. Donald was introduced to the country way of living growing up in Enterprise and grew a deep love of raising horses. He only left Southern Utah for two years to serve his country in the United States Army. Upon his return, Don spent ten years farming. He worked at the DI Ranch for several years but dedicated the next 35 years to raising racehorses and managing Sunset Canyon Ranch.

Don was widely known as "Shadow" and joined the Lion's Club in 1976. He served as the Rodeo Chairman from 1982 to 1983, Race Chairman from 1985 to 1986, and chairman again from 1997 to 1998. He proudly served as President of the Lion's club in 1999. Don was so thrilled when he was announced as the Grand Marshall in 2016.

Don had three children, who he loved and bragged about often. His second marriage, to his beloved sweetheart Joan Park, added three more children into his family. He treated and loved them as if they were his own. After retiring in 2005, Don could be found spending time with his 25 grandchildren and 53 great-grandchildren- all proudly pictured throughout his home.

He meticulously maintained a very large garden and was so proud of his 100 tomato plants. Don spent every morning with his life-long friend, Lamar Miller, who he loved dearly. He enjoyed hunting, fishing, and camping. Up until his final

days, he could still be found at the Los Alamitos Race track in California.

Don was grateful for the opportunity to be a member of the Lions Club. He was always the first car in the parking lot on Thursday night ready to eat. Don will be deeply missed by many and the North-West entrance of the Dixie Round-Up will never be the same

THANK YOU TO OUR LADIES

The St. George Lions Club would like to take this opportunity to thank all of our wives for all the wonderful things they do. . . They are great help at rodeo time that's for sure! They also help with many other things: Scholarships, Party Planning, Parade floats, the Children's Parade, and all the things we really need to keep part of the whole rodeo tradition. The Lady Lions also do things for the Jubilee of Trees, help wrap at Coins for Kids, help with Academic Decathlon, the Queen Contest, and many other events. So if you happen to see our wives or any Lady Lion, let them know how much we appreciate their help. We would be lost without them!

Thank you, Ladies... ***We Love You!***

Talkin' like a Rodeo Cowboy

BARRELMAN: an entertainer who uses a barrel to distract a bull after a ride, sometimes to protect the cowboy.

BOX: in a timed event, the area a horse and rider back into before they make a roping run.

BREAKING THE BARRIER: in a timed event, if the rider leaves the box too soon – failing to give the animal enough of a head start – he is assessed a 10-second penalty.

BULLDOGGER: a steer wrestler

BULLFIGHTER: two athletes who protect the bull rider after he dismounts by distracting the bull and directing its attention to the exit gate, sometimes stepping between the bull and the bull rider.

COVERING: staying on for at least the minimum time, eight seconds; “He covered all three broncs he rode last weekend.”

CROSSFIRE PENALTY: in team roping, if the header doesn’t change the direction of the steer before the heeler catches, the run is disqualified.

FLANK STRAP: a soft sheepskin- or neoprene-lined strap placed in the area where a human’s belt would go, it encourages the animal to kick out behind itself rather than rear up, which provides a safer, showier ride.

HAZER: in steer wrestling, the cowboy who rides on the other side of the steer from the contestant to make sure the steer runs straight.

HEADER/HEELER: the two partners in team roping – the header throws the first rope over the animal’s head or horns, and the heeler throws the second rope to catch the steer’s hind legs.

HOOEY: the knot that a cowboy uses to finish tying the calf’s legs together in tie-down roping.

MARK OUT: in the bare back and saddle bronc riding, a cowboy’s feet must be above the point of the horse’s shoulders when the horse makes its first move out of the chute – if so he marked the horse out, but if not, he missed him out and the ride is disqualified.

PICKUP MEN: the two mounted cowboys who help riders dismount, release the bucking horse’s soft flank strap, and escort the bucking horses and bulls to the exit gate after a ride.

PIGGIN STRING: in tie-down roping, the small rope used to tie a calf’s legs together.

RANK: an adjective of the praise and respect used to describe especially challenging roughstock

RE-RIDE: if a horse or bull doesn’t buck to performance specifications, the judges may offer the cowboy a clean-slate chance, on a different horse or bull.

STANDINGS: a professional cowboy’s success is measured in earnings and cowboys may keep track of where they rank in yearly earnings in several sets of standings

TRY: a noun used for both cowboys and livestock, denoting grit, determination, fitness, stamina and resilience. “Give that cowboy a hand – he had a lot of try.”

The Bar T Rodeo Company

FIVE GENERATIONS STRONG THE LEGACY LIVES ON

The Bar T Rodeo Company was founded in the Red Rocks of Moab, Utah over 60 years ago by Cowboy Hall of famer D.A. Swanny Kerby & his wife Verda Kerby. Swanny Kerby brought some of the early rodeos to Utah and has continued to produce top quality PRCA rodeos all across the Western United States taking bucking stock to the first National Finals Rodeo in 1959 in Dallas, Texas and every NFR since. Their Son Bud Kerby and his Wife Evelyn took the Bar T to the next level

making it a state icon and one of the top rodeo companies in the United States. Bud, a saddle bronc rider and pick up man, was highly respected as one of the best bucking horse men in the industry. He built a breeding program that today is one of the most sought after horse herds in the world

Today the Bar T Rodeo Company has been passed to the third generation and is owned by Jeff and Wendie Flitton, along with their son a fourth generation family member Cody Flitton. The Bar T could not run and operate without the help of many family members, Evelyn Kerby, Sam and Kellie Addington, Lori and Martin Pierce who all love the family heritage and the sport of rodeo. The Bar T Rodeo family works hard maintaining the quality bucking horses and bucking bulls that the Bar T Rodeo has been known for.

In 2011 Bar T Rodeo's Fancy Pants won best saddle bronc of the Wrangler National Finals Rodeo as well as the 2012 Ram National Circuit Finals Rodeo horse of the year. Previous top stock awards have been awarded to bareback horse Alley Cat and saddlebronc horse Sparrow. Many years they have won top stock awards for the

Wilderness Circuit. Bareback horse Bitter Robin, Saddlebronc horse 8 Ball and Bull -8 TopGun all won Animal of the Year at the 2011 Wilderness

Circuit Finals Rodeo. In 2011 Bar T Rodeo came home with four go round buckles from the Wrangler National Finals Rodeo. Bar T Rodeo has been awarded with the Remuda Award, for best bucking horse breeding program, two different times first in 2006 and again in 2011. In 2002 Bar T Rodeo helped produce the first Olympic Rodeo in Farmington, Utah. 12 years ago Bud and Evelyn's daughter Wendie and her husband Jeff Flitton started a Bull breeding program. Several of the bulls they raised have been selected to go to the Wrangler National Finals Rodeo in Las Vegas, Nevada.

RANDEE MUNNS

Randee Munns has been a bullfighter and clown for many years and has worked rodeos throughout the United States. He is from Garland, Utah, where he has a ranch and horse training operation. He is also a brand inspector for the state of Utah.

Randee has brought unique comedy acts to the Lions Roundup, along with his expertise as a bull fighter, for many years. There are basically two types of clowns; the bull fighter and the barrelman. They both have serious jobs to do with a little

flair of comedy thrown in. The

barrelman uses himself and his barrel as a diversionary obstacle. He hauls a heavy, battered reinforced metal barrel around, and folds himself inside like an accordion. Once inside the barrel, he awaits the blows of the irate bull and sometimes receives the unwelcome horn or hoof inside with him. Randee excels at both disciplines, and shares his unique sense of humor and comedy with rodeo fans throughout the country. He has been a staple at the Dixie Roundup for many years and is a crowd favorite.
